

Building	Building Gross Square Footage Estimates
01: Inpatient	225,598
02: Diagnostic & Treatment (D&T)	558,209
03: Outpatient	347,488
04: Staff Parking Garage	
05: Patient Parking Garage	
06: Transitional Living	152,355
07: Central Energy Plant	65,199
08: Research	140,868
09: Pan Am	77,630

These are the gross areas of the buildings, excluding the 2 parking garages. So enclosed space is approximately 1.6 M square feet.

If you add the parking ramp structures, they are roughly 90,000 square feet per level, with 7 levels. That makes roughly 600,000 square feet x 2, or 1.2M square feet of parking ramp.
