Additional Changes/Amendments to Statement of Work

1. Cabling replacement:

The following response will be the final instruction and override any other possible term, instruction, or guidance to establish uniformity throughout the solicitation and quote submission process. The contractor is to assume all replacement of cabling for 311 cameras. Should the contractor determine that the current cabling is functioning properly, the contractor may at their discretion choose whether to replace or leave current cabling, however, as stated in the statement of work in Section 26. (pg. 19) the warranty requested for two years from final acceptance will ensure that old cabling and new cabling is working properly.

2. Section 5.25 is added to provide further detail to Section 5.10 in the statement of work

Section 5.25 The contractor shall provide new fiber from each surveillance IDF switch location back to the Core switch(s). The fiber used will be the specifications as defined in this SOW or the established standard used at VA Loma Linda Healthcare System VALLHS
