

**VENDOR Q & A Set #4**  
**VISN 23 DR ROOM SPECIAL CONSOLIDATION**  
**VA797R-16-Q-0018**

- Q34: For items in this consolidation that require the removal of the existing room, would this be considered part of "extended installation" under the contract and therefore the cost associated with that would be addressed separately following delivery order award?
- A34: No – the de-installation of equipment is expected to be included with the trade-in value based off of information previously provided with the solicitation.**
