

Basis For Award

- (a) In accordance with the procedures of FAR 13 the Government will award a contract from this solicitation. The award will be issued to the responsible Small Business concern quoter on a comparative basis whose quote conforms to the solicitation.
- (b) This requirement is a 100% Small Business set-aside. In order for a quote to be eligible for award, the quoters submitting a quote shall be Small Business under the NAICS Code 221310 and has a current registration in the System for Award Management (SAM): <https://www.sam.gov/portal/public/SAM> at submission of quote. SAM will be checked to verify the quoter's status before any evaluation is conducted.
- (c) The Government intends to make award selection without discussions, but may determine after evaluating the quotes submitted that discussions are necessary and conduct them as appropriate. The Government reserves the right to make no award if no quotes meet the requirements of this solicitation.
- (d) The government will conduct comparative assessment of quoters response based upon the following criteria:

1	Delivery – Quoters clearly demonstrates in its response a clear understanding of the delivery schedule and installation of supplies (salt) and PEDI tanks as stated in the statement of work.
2	Preventative Maintenance: Quoters clearly demonstrates in its response a clear understanding of the Government's requirements for monthly, quartley and annually maintenance of dialysis equipment.
3	Qualifications: Quoters clearly demonstrates in its response a clear understanding of the Government's requirements for qualification and certifications to service dialysis equipment as identified in the statement of work and price and cost schedule. Quoters shall provide their qualification/certifications detailing at least two years' successful experience and/or operation in the industry, for dialysis equipment.
4	Past Performance: Quoters must have a record of satisfactory or neutral past performance. If no record of past performance is found the quoter will receive a rating of neutral. The Government will utilize internal documentation including Federal Awardee Performance and Integrity Information System (FAPIS) and Past Performance Information Retrieval System (PPIRS) for determining the Past Performance of quoters.

- (e) The Government will review the price schedule for completeness and accuracy and will evaluate the reasonableness of the quoted prices. Normally, adequate price competition establishes a fair and reasonable price. Award will be made to the quoter whose price represents the best overall value to the government.
