

Amendment 2

IAW VA solicitation VA248-17-Q-0044 the following has been amended and added

Solicitation Questions and Answers

1) What are the average number of sessions used in a month?

Response: 61.

2) What is the utilization rate?

Response: 19.63%.

3) What is the average number of sessions used per patient?

Response: Average 1-8 session.

4) Is there an Incumbent?

Response: COMPSYCH Employee Assistance Programs of Chicago, IL.

5) Did the incumbent perform satisfactorily?

Response: N/A.

6) Was the incumbent an SDVOSB?

Response: N/A.

7) Can you clarify the number of times per year or frequency in which you desire a company rep to visit or give a training/info session at the facility?

Response: Currently, there is not a need for onsite visits. The government's SOW does not require on site visits to our facilities. However, if a contractor provides a service not in our solicitation; it is the contractor's choice to provide the service for review with their quote.
