<b>Project #:</b>	<b>691-15-114WL</b>	<b>RFI #:</b>	<b>3</b>
<b>Project Name:</b>	IMPROVE Steam Distribution System	<b>Date Requested:</b>	12/13/2016
<b>Solicitation No.:</b>	<b>VA262-17-B-0019</b>	<b>Reference:</b>	
<b>Drawing:</b>	M-402	<b>Specification Section:</b>	

### DESCRIPTION OF PROBLEM OR INFORMATION REQUESTED

Can we use a poured in place concrete vault in lieu of the precast vault shown on sheet M-402?

### OWNER RESPONSE

Poured in place vault is acceptable. Submit drawing of construction detail for approval prior to fabrication.

Steve Chan, Schwab 12-15-2016

Yes, and clearing safety plans on trenching and shoring requirements.
