

ATTACHMENT B

Addendum to 52.212-2 EVALUATION—COMMERCIAL ITEMS (OCT 2014)

(a) In accordance with the procedures of FAR 12.6, the Government will award a contract resulting from this solicitation on a best value basis to the responsible schedule contractor whose offer conforms to the solicitation. The evaluation criteria includes; Factor 1: Technical, Factor 2: Past Performance, Factor 3: Price.

Technical. Each offeror's technical quotation will be evaluated to determine if the offeror provides a sound, compliant approach that meets the requirements of the Statement of Work (attachment A) and demonstrates a thorough knowledge and understanding of those requirements. Technical Rating. The offeror's technical solution will be rated with its technical approach. The technical rating evaluates the quality of the offeror's technical solution for meeting the Government's requirement. Technical evaluations shall utilize the ratings listed in Table 1.

TABLE 1- Technical Ratings	
Rating	Description
Acceptable	Quote meets Statement of Work requirements and indicates an understanding of the requirements with experience supporting Molecular Cost per Test
Unacceptable	Quote does not meet Statement of Work requirements and indicates a lack of understanding of the requirements.

Past Performance. The Past Performance evaluation assesses the degree of confidence the Government has in an offeror's ability to supply products and services that meet users' needs based on a demonstrated record of performance. The Government will evaluate Past Performance using data archived in the Performance Information Retrieval System (PIRS).

TABLE 2 - Technical Ratings	
Rating	Description
Acceptable	Contractor may submit up to three (3) summaries of recent and relevant Government past performance history including contract number, contract award and completion date, name, phone numbers and email addresses for references in contracting and technical areas.
Neutral	Contractor with no recent and relevant Government past performance history.

Price. Award will be made to the vendor whose quote demonstrates all technical parameters at the lowest overall price.
