

PAST PERFORMANCE QUESTIONNAIRE

SUBJECT: Past Performance Questionnaire for Healthcare for Homeless Veterans – Omaha

REQUEST FOR PAST PERFORMANCE INFORMATION

Network Contracting Office 23 of the Department of Veterans Affairs has issued a solicitation for services. The Nebraska-Western Iowa Health Care System has a requirement for services under the Health Care for Homeless Veteran Program. The service entails:

- Room & Board (usually less than 120 days)
- Laundry Facilities
- Medication Storage & Monitoring
- Transportation Assistance (in the local area)
- Therapeutic & Rehabilitative Services

Past performance information will be used to evaluate quotes received. Section A of the enclosed survey lists the contractor (offeror) who has identified your office as a source to evaluate their past performance. Section A also authorizes release of this information to NCO23 Minneapolis, MN.

An individual knowledgeable of the contractor's quality of services rendered should complete the survey, providing comments wherever applicable. However, supplemental information from others in your organization is encouraged. If evaluating more than one contract for the same contractor, use a separate survey for each contract being evaluated.

Because this information is critical to the evaluation process, your time and effort in providing it is greatly appreciated. The survey should be completed as soon as possible but not later than 01 February 2017.

Send electronically to kyle.bauman@va.gov or fax the survey to (612) 333-3792.
