Upgrade Various Small Air Conditioning Components and Units

Brand Name or Equal Items

Item: Receptacle cover plate

Model: Catalog #007

Manufacturer: H.B. Enterprises

Description: Power switch plate cover for protection and fire safety, as described in Spec 01 01 10 (FSS) 2.B.1.

Item: Switch cover plate

Model: Catalog #00

Manufacturer: N. 13. Enterprises

Description: Power switch plate cover for protection and fire safety, as described in Spec 01 01 10 (FSS) 2.B.2.

Item: Ductless Room Cooling Unit (Split System)

Model: 40MKCB54F543

Manufacturer: Carrier

Description: 208/230V, 1 phase, 53 MBH, 1470 CFM, wall mounted, ductless room cooling unit. See schedule on sheet M501 for additional unit details.

Item: Air Cooled Condensing Unit (Split System)

Model: 24AHA460A0005

Manufacturer: Carrier

Description: 208/230V, 3 phase, 54 MBH, floor mounted, air cooled condensing unit with long refrigerant line set and low ambient temperature kit accessories. See schedule on sheet M501 for additional unit details.

Item: Air Handling Unit (Split System)

Model: 40RUAA16T1A6

Manufacturer: Carrier

Description: 208/230V, 3 phase, 4880 CFM, floor mounted, vertical, indoor air handling unit with economizer, DX cooling coil, steam heating coil, and BACnet over IP interface. See schedule on sheet M501 for additional unit details.

Item: Air Cooled Condensing Unit (Split System)

Model: 38AUZBC16A0A5

Manufacturer: Carrier

Description: 208/230V, 3 phase, 184 MBH, air cooled condensing unit with low ambient temperature kit and hot gas bypass accessories. See schedule on sheet M501 for additional unit details.

Item: Supply air diffuser

Model: TMS

Manufacturer: Titus

Description: Steel, 4-way throw, supply air ceiling diffuser. See schedule on sheet M501 for additional unit details.

Item: Supply air grille

Model: 300RL

Manufacturer: Titus

Description: Steel, 2-way throw, duct mounted supply air grille. See schedule on sheet M501 for additional unit details.

Item: Return air grille

Model: 350RL

Manufacturer: Titus

Description: Steel, duct mounted return air grille. See schedule on sheet M501 for additional unit details.

Item: Supply air grille

Model: 50F

Manufacturer: Titus

Description: Steel, ceiling mounted return air grille. See schedule on sheet M501 for additional unit details.
