(h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals--

(1) [ ] Are, [ ] are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

## INSTRUCTIONS FOR ELECTRONIC SUBMISSION OF OFFERS – IN SOLICITATION

### Requirement for Electronic Submission of Offer

Unless paper offers are specifically authorized in an individual solicitation, all responses to solicitations must be submitted electronically as described below. Responses submitted in a paper form are unacceptable and will be returned. Failure to comply with this requirement may jeopardize the possibility of receiving an award for the contract due to noncompliance with the terms of the solicitation. You must submit your electronic offer, and any supplemental information (such as spreadsheets, backup data, technical information), using any of the electronic formats and media described below.

In addition, contractors are notified of the award via an electronic Notice of Award e-mail. The award document will be attached to the Notice of Award e-mail.

### **Acceptable Electronic Formats (Software) for Submission of Offers**

1. Files readable using the current Microsoft\* Office version Products: Word, Excel, PowerPoint, or Access. Spreadsheet documents must be sent in a format that includes all formulas, macro, and format information. Print or scan images of spreadsheets are not acceptable. Please see security note below for [caution regarding use of macros](#). When submitting construction drawings contractors are required to submit one set in AutoCAD and one set in Adobe PDF. (purpose: contracting can open the PDF version and engineering can open AutoCAD files)
2. Files in Adobe\* PDF (Portable Document Format) Files: When scanning documents scanner resolution should be set to 200 dots per inch, or greater.
3. Other electronic format. If you wish to submit an offer using another format other than described in these instructions, e-mail the Contracting Officer who issued the solicitation. Please submit your request at least ten (10) calendar days before the scheduled closing date of the solicitation. Request a decision as to the format acceptability and make sure you receive approval of the alternate format before using it to send your offer.
4. Please note that we can no longer accept .zip files due to increasing security concerns.

**E-Mail Submission Procedures:** For simplicity in this guidance, all submissions in response to a solicitation will be referred to as offers.

- a. **Subject Line:** Include the solicitation number, name of company, and closing date of solicitation. Use only one of the terms Quotation, Offer, or Bid depending on the solicitation type.
- b. **Size:** Maximum size of the e-mail message shall not exceed five (5) megabytes. Only one email is permitted unless otherwise stated in this paragraph or in writing by the Contract Officer submitting the solicitation.

Each electronic offer must also include a signed and scanned SF-18, Request for Quotation; or SF-33, Solicitation, Offer and Award; or SF-1442, Solicitation, Offer, and Award (Construction, Alteration, or Repair); or SF-1449, Solicitation, Contract, Order for Commercial Items, depending on the requirements of the solicitation.

**The offer will be date and time stamped by the Microsoft Email system and will be the official record of receipt for the submission.**

### **Security Issues, Late Bids, Unreadable Offers**

1. Late submission of offers are outlined at FAR Parts 52.212-1(f), 52.214-7, and 52.215-1(c)(3). Particular attention is warranted to the portion of the provision that relates to the timing of submission.
2. Please see FAR 15.207(c) for a description of the steps the Government shall take with regard to unreadable offers.
3. To avoid rejection of an offer, vendors must make every effort to ensure their electronic submission is **virus-free**. Submissions or portions thereof submitted and which the automatic system detects the presence of a virus or which are otherwise unreadable will be treated as “unreadable” pursuant to FAR Parts 14.406 and FAR 15.207(c ).
4. The virus scanning software used by our e-mail systems cannot always **distinguish a macro from a virus**. Therefore, sending a macro embedded in an e-mail message or an e-mail attachment may cause the e-mail offer to be quarantined. You may send both the spreadsheet and the spreadsheet saved in PDF format to ensure that your proposal is readable.

Password protecting your offer is not permitted. The Contracting Officer will file the offer electronically which will allow access only by designated individuals.
