

IDIQ SCHEDULE OF SUPPLIES/SERVICES

The contractor shall furnish all necessary labor, materials, sampling, equipment, and supervision to perform the required Water Testing for legionella, water temperature, pH, and residual biocide at the Lebanon VAMC in accordance with the attached Statement of Work.

The 5 year schedules below cover the period of performance for this 5 year IDIQ contract. The estimated quantities are based on recent history and potential testing scope of work. The quantities are not guaranteed and due to the unpredictable nature of the workload could vary significantly from the actual quantities purchased.

The units prices entered in the below five year schedules by the vendor/bidder shall become the unit price used during the duration of each of the five associated 12 month periods of performance of the IDIQ contract.

A minimum ordering amount of \$10,000.00 is guaranteed on the contract. The maximum ordering amount for the 5 year period of performance is \$400,000.00.
