

RFI Questions and Responses

1. Does the solicitation require Weekly Inspection?
 - a. No it does not. This was an error which was clarified in Amendment 1. Requirement is for Annual inspection of all buildings identified in the Statement of Work, as well as 2nd line item for estimated as needed inspections and follow ups .
2. Does the 4 hour response only constitute a call back or is this calling for a technician to be onsite within 4 hours?
 - a. The response time is to be onsite, due to emergent need for confirmation of potential bed bug finding in a patient care setting.
