

SHERIDAN VA MEDICAL CENTER

PERIOD OF PERFORMANCE: BASE YEAR JANUARY 1, 2017 TO DECEMBER 31, 2017						
ITEM NUMBER	HCPSC CODE	DESCRIPTION OF SERVICES	ESTIMATED QUANTITY	UNIT	UNIT PRICE	AMOUNT
0001	E1390	Rental of Contractor: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	1,200	MONTH		
0002	E1390	Rental of Low Decible Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	25	MONTH		
0003	E1390	Rental of High Flow Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	100	MONTH		
0004	E1390	Rental of Portable Oxygen Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies) and secondary battery. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	10	MONTH		
0005	E0431	Rental of Portable Gaseous System: Portable System, including All containers, Regulator, Flow meter and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies),and Oxygen Tank Cylinder Stands capable of holding 12 cylinders, sizes E, D, C and M6.	1,000	MONTH		
0006	E0439	Rental of Stationary Liquid Oxygen System: Reservoir, Regulator, Flow meter, Humidifier, Cannulas, Masks and colored tubing. Includes one portable container, supply reservoir, humidifier, flowmeter, refill adapter, contents gauge, canula or mask and tubing.	2	MONTH		
0007	E0434	Rental of Portable Liquid Oxygen System: Includes portable container, supply reservoir, humidifier, flowmeter, refill adapter, contents gauge, canula or mask and tubing.	2	MONTH		
0008	VA120	CRT/RRT/RN Visit: Government requested CRT/RRT/RN visit not covered by other CLINs.	2	EACH		
0009	E0600	Set-up of Suction Pump: Delivery, Set-up, and Training of VA owned Suction Pump. To include all necessary supplies.	1	EACH		
0010	E0442	Stationary Liquid Oxygen Contents: Stationary Liquid Oxygen Contents (1 month supply).	440	LB		
0011	E0443	Portable Gaseous Contents: Portable Gaseous Oxygen Contents (Refills) (1 month supply)	1,000	LB		
					GRAND TOTAL	

PERIOD OF PERFORMANCE: OPTION YEAR 1 JANUARY 1, 2018 TO DECEMBER 31, 2018						
0001	E1390	Rental of Contractor: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	1,300	MONTH		
0002	E1390	Rental of Low Decible Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	1,600	MONTH		
0003	E1390	Rental of High Flow Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	290	MONTH		
0004	E1390	Rental of Portable Oxygen Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies) and secondary battery. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	40	MONTH		
0005	E0431	Rental of Portable Gaseous System: Portable System, including All containers, Regulator, Flow meter and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies),and Oxygen Tank Cylinder Stands capable of holding 12 cylinders, sizes E, D, C and M6.	5	MONTH		
0006	E0439	Rental of Stationary Liquid Oxygen System: Reservoir, Regulator, Flow meter, Humidifier, Cannulas, Masks and colored tubing. Includes one portable container, supply reservoir, humidifier, flowmeter, refill adapter, contents gauge, canula or mask and tubing.	5	MONTH		
0007	E0434	Rental of Portable Liquid Oxygen System: Includes portable container, supply reservoir, humidifier, flowmeter, refill adapter, contents gauge, canula or mask and tubing.	5	MONTH		
0008	VA120	CRT/RRT/RN Visit: Government requested CRT/RRT/RN visit not covered by other CLINs.	5	EACH		
0009	E0442	Stationary Liquid Oxygen Contents: Stationary Liquid Oxygen Contents (1 month supply).	440	LB		
0010	E0443	Portable Gaseous Contents: Portable Gaseous Oxygen Contents (Refills) (1 month supply)	1,000	LB		
					GRAND TOTAL	

PERIOD OF PERFORMANCE: OPTION YEAR 2 JANUARY 1, 2019 TO DECEMBER 31, 2019						
0001	E1390	Rental of Contractor: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems.
