

VA MONTANA HEALTH CARE SYSTEM

PERIOD OF PERFORMANCE: BASE YEAR JANUARY 1, 2017 TO DECEMBER 31, 2017						
ITEM NUMBER	HCPSC CODE	DESCRIPTION OF SERVICES	ESTIMATED QUANTITY	UNIT	UNIT PRICE	AMOUNT
0001	E1390	Rental of Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	2,100	MONTH		
0002	E1390	Rental of Low Decible Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	50	MONTH		
0003	E1390	Rental of High Flow Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	45	MONTH		
0004	E1390	Rental of Portable Oxygen Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies) and secondary battery. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	35	MONTH		
0005	E0431	Rental of Portable Gaseous System: Portable System, including All containers, Regulator, Flow meter and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies),and Oxygen Tank Cylinder Stands capable of holding 12 cylinders, sizes E, D, C and M6.	2,100	MONTH		
0006	E0439	Rental of Stationary Liquid Oxygen System: Reservoir, Regulator, Flow meter, Humidifier, Cannulas, Masks and colored tubing. Includes one portable container, supply reservoir, humidifier, flowmeter, refill adapter, contents gauge, canula or mask and tubing.	10	MONTH		
0008	E0465	Rental of Ventilator System: Delivery, Set-up, Training and Maintenance of Contractor owned Stationary or Portable Ventilator. To include back-up ventilator and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies).	2	MONTH		
0009	E0565	Rental of Air Compressor: Delivery, Set-up, Training and Maintenance of Contractor owned Air Compressor for use with equipment not self contained or cylinder driven. To include all associated supplies.	5	MONTH		
0010	VA120	CRT/RRT/RN Visit: Government requested CRT/RRT/RN visit not covered by other CLINs.	100	YEAR		
0011	E0600	Set-up of Suction Pump: Delivery, Set-up, and Training of VA owned Suction Pump. To include all necessary supplies.	5	YEAR		
0012	VA120	Set-up of Nebulizer: Delivery, Set-up, and Training of VA owned Nebulizers. To include all necessary supplies.	10	MONTH		
0013	VA120	Set-up of Cough Assist: Delivery, Set-up, and Training of VA owned cough assist device. To include recovery, cleaning and storage or return to VA.	5	YEAR		
0014	VA120	Set-up of Percussive Vest: Delivery, Set-up, and Training of VA owned percussive vests. To include recovery, cleaning and storage or return to VA.	5	YEAR		
0015	E0442	Stationary Liquid Oxygen Contents: Stationary Liquid Oxygen Contents (1 month supply).	1,800	LB		
0016	E0443	Portable Gaseous Contents: Portable Gaseous Oxygen Contents (Refills) (1 month supply)	10,000	LB		
					GRAND TOTAL	

PERIOD OF PERFORMANCE: OPTION YEAR 1 JANUARY 1, 2018 TO DECEMBER 31, 2018						
0001	E1390	Rental of Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	2,100	MONTH		
0002	E1390	Rental of Low Decible Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	50	MONTH		
0003	E1390	Rental of High Flow Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies), including back-up systems. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	45	MONTH		
0004	E1390	Rental of Portable Oxygen Concentrator: Contractor to deliver, set-up & ensure proper functioning and preventative maintenance and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies) and secondary battery. Perform Equipment Maintenance in accordance with manufacturer standards. At a minimum of once every 90 calendar days, visit and assess patient to assure equipment compliance, change filters and provide disposable supplies.	35	MONTH		
0005	E0431	Rental of Portable Gaseous System: Portable System, including All containers, Regulator, Flow meter and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies),and Oxygen Tank Cylinder Stands capable of holding 12 cylinders, sizes E, D, C and M6.	2,100	MONTH		
0006	E0439	Rental of Stationary Liquid Oxygen System: Reservoir, Regulator, Flow meter, Humidifier, Cannulas, Masks and colored tubing. Includes one portable container, supply reservoir, humidifier, flowmeter, refill adapter, contents gauge, canula or mask and tubing.	10	MONTH		
0008	E0465	Rental of Ventilator System: Delivery, Set-up, Training and Maintenance of Contractor owned Stationary or Portable Ventilator. To include back-up ventilator and provide all necessary supplies and equipment as specified in the PWS (Consumable Supplies).	2	MONTH
