<p>After removing the wall paper and carpet, there might be areas where wall patching will be required. Scope of work does not identify any wall repairs. If that is, what is the area to be considered?</p> <p>On multiple test areas no damage to the sheet rock was witnessed. The VA expects the removal process to be such that it does not cause damage to the sheet rock.</p> <p>Rm 66 has water damage from either the window or roof that will need to be repaired</p>
