

**REQUEST FOR PERSONAL IDENTITY VERIFICATION CARD**

**PRIVACY ACT STATEMENT:** VA is authorized to ask for the information requested on this form by Homeland Security Presidential Directive (HSPD)-12, and 31 USC 7701. The information and biometrics collected, collected as part of the Federal identity-proofing program under HSPD-12 are used to verify the personal identity of VA applicants for employment, employees, contractors, and affiliates (such as students, WOC employees, and others) prior to issuing a Department identification credential. The credentials themselves are to be used to authenticate electronic access requests from VA employees, contractors, and affiliates issued a Department identification credential to gain access to VA facilities and networks (where available) through digital access control systems, as well as to other federal government agency facilities and systems where permitted by law. The information collected on this form is protected by the Privacy Act, 5 USC Section 552(a) and maintained under the authority of 38 USC Section 501 and 38 USC Sections 901-905 in VA system of records "Police and Security Records-VA (103VA07B)". VA may make a "routine use" disclosure of the information in this system of records for the routine uses listed in this system of records, including: civil or criminal law enforcement, constituent congressional communications initiated at your request, litigation or administrative proceedings in which the United States is a party or has an interest, the administration of VA programs, verification of identity and status, and personnel administration by Federal agencies. Failure to provide all of the requested information may result in VA being unable to process your request for a Personal Identity Verification Card, or denial of issuance of a Personal Identity Verification Card. If you do not have a Personal Identity Verification Card, you may not be granted access to VA facilities or networks, which could have an adverse impact on your application to become, or status as, a VA employee, contractor or affiliate where such access is required to perform your assigned duties or responsibilities. Your obligation to respond is mandatory.

**PAPERWORK REDUCTION ACT NOTICE:** VA can not conduct or sponsor a collection of information unless a valid OMB number is displayed. The public reporting burden is approximately 5 minutes including time to review instruction, find the information, and complete this form. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the VA Clearance Officer (005R1B), 810 Vermont Avenue, Washington, DC 20420.

**PART C - PUBLIC KEY INFORMATION (PKI) CERTIFICATE ACCEPTANCE** *(Completed by Applicant)***AUTHORIZATION STATEMENT**

You have been authorized to receive one or more private and public key pairs and associated certificates. A private key enables you to digitally sign documents and messages and identify yourself to gain access to information systems and facilities. You may have another private key to decrypt data such as encrypted messages. People and electronic systems inside and outside VA will use public keys associated with your private keys to verify your digital signature, or to verify your identity when you attempt to authenticate to systems, or to encrypt data sent to you. The certificates and private keys will be issued on a token, for example your Personal Identity Verification Card. The token and the certificates and private keys on your token are government property. Users are authorized to use the certificates within VA, as well as while conducting business with other Federal, state, and Local Government agencies.

**ACKNOWLEDGEMENT OF RESPONSIBILITIES**

- I represent and warrant that the information provided in application for this certificate is accurate, current, and complete. If this information changes, I will notify my Registrar of the changes;
- I will use my certificate(s) and private key(s) for official purposes only;
- I will comply with the Certificate Practices Statement for selecting a Personal Identification Number (PIN) or other required method for controlling access to my private keys and will not disclose same to anyone, leave it where it might be observed, nor write it on the token itself;
- I understand that digital signatures applied using my digital certificates carry the same legal obligation as my physically signing the document;
- I understand that if I receive key management (encryption/decryption) key pairs on my token, copies of the private decryption keys have been provided to the key recovery database in case they need to be recovered; and
- I will report any compromise (e.g., loss, suspected or known unauthorized use, misplacement, etc.) of my PIN or token to my supervisor, security officer, Certification Authority (CA), or a Registrar, immediately.

**LIABILITY**

I will have no claim against VA arising from use of the PKI certificates, the key recovery process, or a Certification Authority's (CA) determination to terminate or revoke a certificate. VA is not liable for any losses, including direct or indirect, incidental, consequential, special, or punitive damages, arising out of or relating to any certificate issued by a VA CA.

**GOVERNMENT LAW**

VA Public Key Certificates shall be governed by the laws of the United States of America.

**CERTIFICATION:** I certify that I have read and agree to the above statements and that I have received my PKI certificate(s).
