

Solicitation VA786-17-R-0189

Grounds Maintenance Services for Puerto Rico National Cemetery

FY17 Base plus 4 Option Years

Solicitation Questions:

1. Can I have the incumbent name and past pricing for this solicitation

Contract VA786-12-C-0108 // Award Amount: \$937,539.41 for Base plus Four Option Years //

Contractor: PROJECT MANAGEMENT SOLUTIONS, LLC

2. Can we get a list of contractors who attended site visit

Document is attached.

3. On the CLIN's there is not a line item for mowing but on page 9 (Program Objectives) it state performing mowing. I wanted to make sure that mowing was not included?

Mowing is not included, mowing is all done by PRNC employees, however the Contractor shall use whatever method (Plan of action) he/she chooses to meet the objectives as long as the end result satisfies the minimum acceptable levels of performance, Contractor will not change equipment specified in the contract to meet objectives.

4. A facilities inventory was distributed during the site visit but not included in the official solicitation package. Should we assume this is the correct inventory of areas?

Yes is the correct, I will attach the file on the email.

5. Please confirm mowing will not be performed by the contractor, only trimming and edging services are included in the solicitation (with regards to grass cutting).

Confirm, mowing will no be perform by contractor.

6. Please confirm removal of clippings from government-furnished mowing are not the responsibility of the contractor.

Confirm, removal of clippings from government-furnished mowing are not the responsibility of the contractor.

7. Will this solicitation require any Bonding and or Payment & Performance Bonds?

Bonds are reference in two areas of the solicitation.

[1] 52.228-2 Additional Bond Security Clause is incorporated in the solicitation.

[2] Under the "Addendum to Far 52.212-2" provision, there is a paragraph that highlights bonding.

8. Wage determination package was provided in Solicitation, but on page 40 there is another quantity of monetary wage - fringe benefits for laborer , grounds maintenance. Which will prevail for this solicitation?

Comply to the SCA WD 2015-5707 Rev-4 wage determination document. The data listed on page 40 is an error.
