Welcome to the Pre Bid Walk Thru my name is Robert Baldrick and I will be the Contracting Officer for this project.

This project titled: "Install New Chiller, Replace Cooling Towers, Provide Economizer, and Upgrade Electrical Line to Chiller Plant"

Project number 539-12-101

IFB number VA250-12-B-0260

This is a **SERVICE DISABLE VETERAN OWN SMALL BUSINESS SET A-SIDE**

Kevin Henderson is the COTR.

This solicitation includes a new requirement concerning safety compliance documentation to be submitted with your bid/proposal. See "NOTICE-SAFETY COMPLIANCE REQUIREMENT". Failure to submit the required information or failure to meet the stated standard will deem your bid non-responsive.

Please write down all your questions and submit them by email to me at Robert.Baldrick@va.gov

The cut off for all questions submitted electronically is May 18, 2012 at 4:00PM

Any and all questions will be answered and placed in an amendment and posted on FedBizOps.

Please sign in

If there are no questions and everyone has signed in, I will turn this over to Kevin Henderson for to continue with this pre bid site visit.
