

## INSTRUCTIONS FOR COMPLETING S02 ATTACHMENT EXCEL SHEET “IP” PART 2

When you open the Excel Sheet you will notice a tab at the bottom for each period of the contract:

- Base
- Option 1
- Option 2
- Option 3
- Option 4

Each Sheet has the same information except for the base period. Two Suites should not be included in your BASE period pricing:

- SICU
- Operating Room (**New Addition**)

TAB service for these rooms estimate to start with Option 1.

### Pricing

*\*\*\*You are allowed to input information on the Excel Sheet. But do not alter the columns, rows or wording. Please review information under Document Alteration in S02 Attachment-Solicitation VA259-17-Q-0239 page 33 Section E.1 (d).*

Pricing estimation varies among company to company. Therefore the Excel Sheet (Part 2) tried to list the most common method companies' uses to estimate TAB service.

- Square Footage
- Price per equipment
- Rate per hour for given personnel [title]

Hence, please complete what pricing structure your company uses. If your company utilizes all three, complete all sections. Whatever pricing structure you use, it should equal your total pricing on Part 1 [B.6] for each given period.

**IMPORTANT NOTE:** If your company doesn't use any of the pricing estimation listed above, please **DO NOT** alternate the Excel Sheet or the Part 1 B.6. Please provide a separate document with the itemize listing of your pricing structure that will corresponds with Part 1 B.6 line total for each given period.

*[for instances: If your total pricing that is listed on Part 1 B.6 for the base period is \$60K and your company doesn't utilize any of the pricing estimation structure listed above, than you shall provide a itemize listing of pricing of how \$60K was arrived at listing in Part 1 B.6.]*
