

To Whom It May Concern:

This is to confirm that all Carl Zeiss Meditec, Inc. ("Zeiss") ophthalmic instrumentation is only sold on a direct basis and not through any distributors. Cirrus OCT Family, IOL Master, Visucam Camera, Humphrey Visual Field, FF450 Plus Camera, Visupac, Atlas 9000. In addition only Zeiss Employed Certified Field Service Engineers are approved to perform "service" "repair" services on the above mentioned products/ equipment.

With regards to procurements where the end-user is a federal healthcare facility, such as, the US Department of Veterans Affairs, Department of Defense, Indian Health Services, National Institutes of Health, etc., Zeiss ophthalmic instrumentation is authorized to be sold only through the preferred Small and Minority- Owned government distributor listed below:

PROAIM America's, LLC.
d/b/a PROAIM Medical
209 Bountiful Pointe Circle
Grover, MO 63040
DUNS: 962568338
EIN: 27-2578777
Cage Code: 60B94

Carl Zeiss Meditec, Inc. will provide installation and service when required.

Any questions pertaining to the information provided above should be directed to Brian Close, National Accounts Manager for Carl Zeiss Meditec, Inc.

Sincerely,
Brian Close
