

# Symon Smart Screen Series

---

**The Symon Smart Screen™ is a high-definition, LCD flat panel display with an integrated media player.**

The Symon Smart Screen is designed to accommodate installations where cabling and mounting options are limited. It features a thin ergonomic design, a narrow front bezel, and a removable media player. The Symon Smart Screen is available in three sizes: 42-inch, 46-inch and 55-inch.

## **Lower cost and high reliability**

All models are purpose-built with Microsoft® Windows® operating software, an Intel 3.0 GHz Core 2 Duo processor and a large hard disk.

The Smart Screen's easy-to-access media player makes any required maintenance simple as the unit does not typically have to be removed from its mounting for media player maintenance or replacement.

The Symon Smart Screen can be enhanced with an optional bar-type speaker. A Smart Screen First Aid Kit can also be purchased as a backup option in order to reduce down-time.

## **Benefits of a Symon Smart Screen:**

- Lower installation costs derived from less cabling and equipment installation
- Lower maintenance and support costs via a removable media player
- All of the content handling capabilities of the Symon SDA-710/715 media player
- One power source with virtual plug and play capability

Shown with Optional Speaker

## Technical Specifications

### Video

- Playback of HD Digital Video Files (720p HD or 1080p HD)
- Streaming Media input (MMS & RTSP protocols)
- Live TV (NTSC or PAL)
- MPEG Video Decoding (1, 2, 4), WMV, VC1 & H.264
- Auto Reboot Recovery
- SNMP Notification and Proof of Play Reporting
- Event Logging
- Portrait and Landscape Display Mode
- Automatic Disk Defragmentation

### Output resolutions supported:

- 4:3 Aspect: 640x480, 800x600, 1024x768
- 4:3 Aspect: 1280x960, 1280x1024 (4.3:2 Aspect)
- 16:9 Aspect: 1280x720 (720p HD)
- 16:9 Aspect: 1920x1080 (1080p HD)

### Audio

- Mono, Stereo, MPEG 1 Level 1, 2, 3 (MP3 Audio)

### Features

- Browser-based Administration
- Cinematic and Standard Transitions
- Remotely Upgradeable Firmware
- Crawling + Scrolling Text
- Snapshot View of Remote Broadcasts
- Real-Time Data Display
- Data Triggers – Switching of Layouts Based on Data Threshold Events

### Architecture

- Wireless Networking (optional)
- IP Addressable, Ethernet Port 10/100/1000M bit
- Operating System: Windows® XPE (For SES Version 9.2.1) or Windows® Vista (For SES Version 10.2 or higher)
- Dimensions: 40.41" (H) x 24.85" (W) x 5.08" (D) (42-inch unit), 44.88" (H) x 27.36" (W) x 6.15" (D) (46-inch unit), 52.60" (H) x 31.77" (W) x 5.71" (D) (55-inch unit)
- CPU: 3.0 GHz Intel Core 2 Duo
- Hard Disk: 7200RPM 160GB
- Memory: (RAM) 2GB
- Graphics: AMD Firepro V4800
- Speaker Optional
