Contracting Office Address:

Eric Roberts, Contract Officer, United States Department of Veterans Affairs (VA), Office of Construction & Facilities Management, Office of Real Property (003C1E) 425 "Eye" Street, NW, Washington DC 20001.

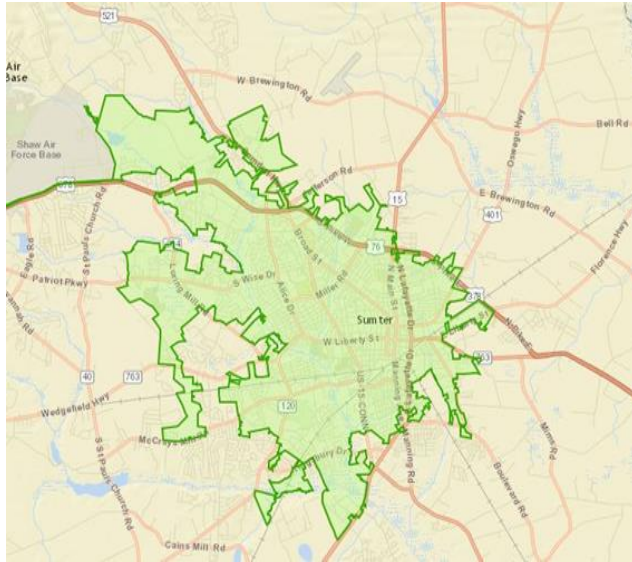

Description: VA seeks to lease 19,918 net usable square feet (NUSF) of space (or 24,000 rentable square feet (RSF)) and 120 parking spaces for use by VA as a Community Based Outpatient Clinic (CBOC) in the delineated area explained below within Sumter, SC. VA will consider leased space located in an existing building as well as land for new construction for a build-to-suit lease option. NUSF is generally defined as the space remaining once common areas, lessor areas, and non-programmatic areas required by code are deducted from the rentable square feet of the facility. NUSF does not include areas such as stairs, elevators, mechanical and utility rooms, ducts, shafts, vestibules, public corridors, and public toilets required by local code. A detailed definition will be provided by VA, should a solicitation for offers or request for proposals be issued for this project.

Lease Term: VA requires a lease term of up to 20 years. VA reserves the right to request other lease structures and may request multiple lease structures.

Delineated Area: To receive consideration, submitted properties must be located within the following area described below, which is bound by the following roads, or must front on any of the following boundary lines:

Submitted properties must be located within the city limits of Sumter, SC.

The attached map of the delineated area is provided for further clarification of the boundaries of the delineated area/city limits of Sumter, SC.

Additional Requirements:

- (1) Offered space must be located on no more than two (2) contiguous floors and all space on each floor must be contiguous. If space offered is on two floors, a minimum of one passenger elevator and one freight elevator must be provided.
- (2) Bifurcated sites, inclusive of parking, are not permissible.
- (3) The following space configurations will not be considered: Space with atriums or other areas interrupting contiguous space, extremely long or narrow runs of space (more than twice as long as wide), irregularly shaped space configurations or other unusual building features adversely affecting usage.
- (4) Column size cannot exceed two (2) feet square and space between columns and/or walls cannot be less than twenty (20') feet.
- (5) Offered space cannot be in the FEMA 100-year flood plain.
- (6) Offered space must be zoned for VA's intended use.
- (7) Offered space will not be considered if located in close proximity to property with incompatible uses, including but not limited to the following uses: liquor establishments, treatment centers, correctional facilities, where firearms are sold/discharged, railroad tracks, or within flight paths.
- (8) Offered space will not be considered if located less than 1 mile from residential or industrial areas.
- (9) Space will not be considered where apartment space or other living quarters are located within the same building.

(10) Offered space must be located within 5 miles to amenities including but not limited to restaurants, hotels, pharmacy, and shopping.

(11) Offered space must be located within 5 miles or less to a hospital or stand-alone emergency room center and a fire department.

(12) Offered space must be within walking distance to public transportation. A commuter rail, light rail, or bus stop shall be located within the immediate vicinity of the building.

(13) Offered space must be within 1 mile of a major intersection to provide multiple routes of travel.

(14) Offered space must be within 5 miles of the Sumter Mall/Commercial Center.

(15) Loading dock and freight elevator required. Parking lot must be able to accommodate deliveries by trucks with trailers.

(16) Structured parking under the space is not permissible.

(17) Offered space must meet Federal and Local Government requirements for fire safety, physical security, accessibility, seismic, and sustainability standards per the terms of the solicitation for offers or request for proposals.

(18) A fully serviced lease may be required.

(19) Offered space must be compatible for VA's intended use.

All submissions should include the following information:

- (1) Name of current owner;
- (2) Address or described location of building or land;
- (3) Location on map, demonstrating the building or land lies within the Delineated Area;
- (4) Description of ingress/egress to the building or land from a public right-of-way;
- (5) A statement as to whether the building or land lies within the Delineated Area;
- (6) Description of the uses of adjacent properties;
- (7) FEMA map evidencing floodplain status;
- (8) A narrative and map describing proximity of the building or land to the nearest bus and/or train stop, and major transportation routes, and

Attachment - Small Business, VOSB or SDVOSB Status

The NAICS Code for this procurement is 531120 Lessors of Nonresidential Buildings, and the small business size standard is \$38.5 million. Responses to this notice will assist VA's Office of Real Property (ORP) in determining if the acquisition should be set-aside for competition and restricted to SDVOSB or VOSB concerns in accordance with 38 USC Sec. 8127.

The magnitude of the anticipated construction/buildout for this project is:

 X (i) Between \$10,000,000 and \$20,000,000;

VA makes monthly lease rental payments in arrears upon facility acceptance and may elect to make a single lump-sum payment or amortize over the course of the firm term for specified tenant improvements. VA makes no progress payments during the design or construction/build-out phases of the project.

This is not a request for proposals, only a request for information for planning purposes, and does not constitute a solicitation. A solicitation may or may not be issued. This notice is being published in accordance with Federal Acquisition Regulation 19.14 and VA Acquisition Regulation 819.70.

Project Requirements: ORP seeks information from Potential Offerors who are capable of successfully performing a lease contract, including design and construction of the facility described above, on a VA

pre-approved site for a term of up to 20 years, inclusive of all options, as well as all maintenance and operation requirements for the duration of the lease term. More information on VA's requirements can be found on its Technical Information Library: <http://www.cfm.va.gov/til/>.

SDVOSB, VOSB, and Small Business firms are invited to provide information to contribute to the market research for this project. SDVOSB and VOSB firms must be registered in VA's Vendor Information Pages (VIP) site at <https://www.vip.vetbiz.gov/>. All business concerns must have the technical skills and financial capabilities necessary to perform the stated requirements. All business concerns are requested to submit a Capabilities Statement if they are interested in participating in this project. A submission checklist and information sheet is provided below for firms to fill out and submit, which will serve as the firm's Capabilities Statement.

Capabilities Statement Will Include:

1. Company name, address, point of contact, phone number, Dunn & Bradstreet number, and e-mail address;
2. Evidence of SDVOSB or VOSB status through registration at VIP (<https://www.vip.vetbiz.gov/>);
3. Evidence of ability to offer as a small business under NAICS Code 531120 and listing in the System for Award Management (www.SAM.gov), including a copy of the representations and certifications made in that system;
4. A summary describing at least three (3) projects of similar size and scope completed in the past five (5) years that demonstrate your company's experience designing, constructing, and managing Federal leased facilities or health care facilities relevant to the project described above. (3-page limit);
5. Evidence of your company's bonding capacity to meet a bid bond of \$100,000, and evidence from a surety of capability to obtain payment and performance bonds in values based on the project magnitude listed above; and
6. Evidence of capability to obtain financing for a project of this size.

If desired, the company may also submit a narrative describing its capability.

Although this notice focuses on SDVOSB and VOSB, we encourage all small businesses and other interested parties to respond for market research purposes.
