

1. Whether companies from Outside USA can apply for this?
(like, from India or Canada) VA is conducting market research at this time. Any resultant solicitation will include the necessary provisions/clauses and include places of performance.
2. Whether we need to come over there for meetings? To date under this program, meetings have been virtual.
3. Can we perform the tasks (related to RFP) outside USA?
(like, from India or Canada) VA is conducting market research at this time. Any resultant solicitation will include the necessary provisions/clauses and include places of performance.
4. Can we submit the proposals via email? A request for proposals has not been issued. VA is seeking responses at this time to the Request for Information (RFI) for market research purposes only.
5. Do you have the location that this opportunity is coming out of so I can assign a project lead on my end? The current system is deployed across the country at approximately 151 facilities
