PREVIOUS EDITION NOT USABLE									

Solicitation Questions and Answers

#	Question	Answer
8.	According to our research there isn't a VENDOR that can support 12x18 in all 4 trays, unless you are looking at a HIGH Production/Press. We are also asking for an exception to #6 if the vendor can provide another tray up to 500 sheets.	NO
9.	Respectfully, would the VA please explain why would you need more than 1 paper tray to support 12x 18 media on a Black and White Multifunction Device?	We would accept 1 paper tray to support 12X18 paper along with the 150 sheet bypass tray that supports 12x18 paper.
10.	In the ' 28 ppm' device tier , if the vendor supplies 3 paper trays and one that holds 500 sheets up to 11x17 (instead of 2 which you are asking) Would you be willing to have a 50 sheet bypass tray?	No. We are staying with the 100 sheet bypass tray.
