- Several small businesses suggested by the end-user on the submitted Recommended Source List including VOSB and SDVOSB wholesalers/distributors may be able to provide these Med/Surg items listed on Table 1. This information is being obtained from the end-user and from previous procurements of similar items on this request, which were done by seeking competing vendors for the items listed on Table 1 on the open market.

- However, these vendors are not engaged in manufacture, but are distributors for large business wholesalers.
- The Government is not allowed to do business using wholesale Trade or Retail Trade NAICS codes, searches must be conducted using the manufacture NAICS code of 325412.
