SECTION C - CONTRACT CLAUSES

C.1 52.212-4 CONTRACT TERMS AND CONDITIONS—COMMERCIAL ITEMS (JAN 2017)

(a) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights—

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) *Changes.* Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) *Disputes.* This contract is subject to 41 U.S.C. chapter 71, Contract Disputes. Failure of the parties to this contract to reach agreement on any request for equitable adjustment, claim, appeal or action arising under or relating to this contract shall be a dispute to be resolved in accordance with the clause at FAR 52.233-1, Disputes, which is incorporated herein by reference. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) *Definitions.* The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(C) EFT banking information is not required if the Government waived the requirement to pay by EFT.

(2) Invoices will be handled in accordance with the Prompt Payment Act (31 U.S.C. 3903) and Office of Management and Budget (OMB) prompt payment regulations at 5 CFR part 1315.

(h) *Patent indemnity.* The Contractor shall indemnify the Government and its officers, employees and agents against liability, including costs, for actual or alleged direct or contributory infringement of, or inducement to infringe, any United States or foreign patent, trademark or copyright, arising out of the performance of this contract, provided the Contractor is reasonably notified of such claims and proceedings.

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

Offers may be submitted on the SF 1449, letterhead stationery, or as otherwise specified in the solicitation. As a minimum, offers must show—

- (1) The solicitation number;
- (2) The time specified in the solicitation for receipt of offers;
- (3) The name, address, and telephone number of the offeror;
- (4) A technical description of the items being offered in sufficient detail to evaluate compliance with the requirements in the solicitation. This may include product literature, or other documents, if necessary;

Offers that fail to furnish required representations or information, or reject the terms and conditions of the solicitation may be excluded from consideration.

(c) *Period for acceptance of offers.* The offeror agrees to hold the prices in its offer firm for 30 calendar days from the date specified for receipt of offers, unless another time period is specified in an addendum to the solicitation.

(e) *Multiple offers.* Offerors are encouraged to submit multiple offers presenting alternative terms and conditions, including alternative line items (provided that the alternative line items are consistent with subpart 4.10 of the Federal Acquisition Regulation), or alternative commercial items for satisfying the requirements of this solicitation. Each offer submitted will be evaluated separately.

(f) Late submissions, modifications, revisions, and withdrawals of offers.

(1) Offerors are responsible for submitting offers, and any modifications, revisions, or withdrawals, so as to reach the Government office designated in the solicitation by the time specified in the solicitation. If no time is specified in the solicitation, the time for receipt is 4:30 p.m., local time, for the designated Government office on the date that offers or revisions are due.

(2)(i) Any offer, modification, revision, or withdrawal of an offer received at the Government office designated in the solicitation after the exact time specified for receipt of offers is "late" and will not be considered unless it is received before award is made, the Contracting Officer determines that accepting the late offer would not unduly delay the acquisition; and—

(ii) However, a late modification of an otherwise successful offer, that makes its terms more favorable to the Government, will be considered at any time it is received and may be accepted.

(3) Acceptable evidence to establish the time of receipt at the Government installation includes the time/date stamp of that installation on the offer wrapper, other documentary evidence of receipt maintained by the installation, or oral testimony or statements of Government personnel.

(4) If an emergency or unanticipated event interrupts normal Government processes so that offers cannot be received at the Government office designated for receipt of offers by the exact time specified in the solicitation, and urgent Government requirements preclude amendment of the solicitation or other notice of an extension of the closing date, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal Government processes resume.

(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. An offer may be withdrawn in person by an offeror or its authorized representative if, before the exact time set for receipt of offers, the identity of the person requesting withdrawal is established and the person signs a receipt for the offer.

(g) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards*. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. The Government reserves the right to make an award on any item for a quantity less than the quantity offered, at the unit prices offered, unless the offeror specifies otherwise in the offer.

ADDENDUM to FAR 52.212-1 INSTRUCTIONS TO OFFERORS—COMMERCIAL ITEMS

Provisions that are incorporated by reference (by Citation Number, Title, and Date), have the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available.

The following provisions are incorporated into 52.212-1 as an addendum to this solicitation:

E.4 52.212-2 EVALUATION—COMMERCIAL ITEMS (OCT 2014)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Technical

Past/present performance

Price

Technical and past performance, are equal to price.

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

A. BASIS FOR AWARD.

Award will be made to the **lowest priced, technically acceptable** responsible offeror, whose proposal conforms to all stated terms, conditions, representations, certifications, and any other information required by this solicitation. Proposals will be ranked by price first then evaluated for technically acceptable. If, the low priced proposal is found to be technically acceptable the evaluation process stops no other proposal will be evaluated. If necessary this process will be performed until there is a low priced technically acceptable proposal. If no proposal is technically acceptable the government will make a determination to re-solicit. Technical

tradeoff **will not** be made and no additional credit will be given for exceeding the minimum requirements. In the event an offeror's proposal is determined to be unacceptable in any of these factors, the entire proposal will be considered unacceptable and the offeror will be ineligible for award.

****ALL factors must be rated ACCEPTABLE to be considered for award.**

B. EVALUATION METHODOLOGY. The award decision will be based on the following:

1. Registered in www.sam.gov to receive Government contracts.
2. Registered in www.vip.vetbiz.gov as a Service Disabled Veteran Owned Small Business (SDVOSB)
3. **Technical.** Must meet or exceed the specification listed in the RFQ.

Each factor will be scored as Acceptable or Unacceptable as defined below. Each proposal will be evaluated against the SOW and the stated evaluation criteria. Each proposal is evaluated using the same standards.

"Lowest Price, Technically Acceptable" Evaluation Standards

Acceptable: ALL of the minimum acceptable criteria are clearly met by the proposal. The offeror's proposal meets the performance and technical capability requirements defined in the Specifications.

Unacceptable: Not all of the minimum acceptable criteria are met by the proposal. An unacceptable proposal contains one or more deficiencies.

Integrated Pest Management Technical Factors

The offeror is to provide the following to meet the minimum requirements

A. The program manager must have a minimum of 5 years of experience in managing pest control services consisting of an Integrated Pest Management (IPM) approach for a large medical center or similar clinical facility.

B. Pest Control Operator/Technician (PCO) applying pesticides on VA property must have a minimum of 5 years of experience in applying pest control services consisting of an Integrated Pest Management (IPM) approach for a large medical center or similar clinical facility.

C. Pest Control Operator/Technician (PCO) applying pesticides on VA property must be licensed in the state of South Carolina, as a minimum, in the following categories: 3) Ornamental and Turf Pest Control, 7) Institutional/Structural and 83) Public Health.

D. Contractor PCO staff working on VA property will be properly trained, licensed, and certified to treat the pests identified in Section 15 of the Statement of Work.

F. Contractor must have the capability to provide 24 hour/7 day a week emergency pest services, as specified in the Statement of work for all covered services.

4. Past/Present Performance. The Government will evaluate the Offeror's past/present performance in Integrated Pest Management Services to measure the likelihood of success in performing the solicitation's requirements. The offeror must provide a minimum of two past/present performance experiences related to Integrated Pest Management (IPM) for a large medical center or similar clinical facility. The past/present performance must be within the last three years. The past/present performance experience must include the client's POC with email and phone number. It is the responsibility of the Offeror to ensure that their contact information is current and accurate. Providing a CPARS report signed by all parties is acceptable past/present performance. The Government may, at its discretion, obtain and evaluate information from sources other than those provided by the Offeror.

Rating for Past Performance Evaluation Criteria

Acceptable - Based on the offeror's performance record, the Government has a reasonable expectation that the offeror will successfully perform the required effort,

Unacceptable - Based on the offeror's performance record, the Government has no reasonable expectation that the offeror will be able to successfully perform the required effort.

For offeror’s without a record of relevant past/present performance or for whom information on past/present performance is not available, the offeror will be evaluated as unacceptable on past/present performance. (See note below.)¹

5. Price. All line items in the Price Schedule must include a price. The total evaluated price will consist of the offeror’s proposed price and the government’s independent cost estimate. The Government may determine that an offer is unacceptable if the prices are significantly unbalanced. Price realism may be performed by the Contracting Officer.

The following table will be used for each proposal received to score each LPTA factor as to whether it is Acceptable or Unacceptable.
