**Question: (Explain in detail)**

1. On page 100 & 101 of 106 of the Amendment 1 Solicitation, Section L-13.5 it states that for Factor #5 Contractor Performance Assessment Reporting System (CPARS), we need to submit all CPARS ratings over the past 3 years. Failure to submit prior CPARS ratings will be considered that the offeror has no past performance for like or similar items for the Government to evaluate. We currently have a few projects that we intend to use as similar project experience that the government hasn't prepared a CPARS for as of yet. Can we submit a previously completed Past Performance Questionnaire in it's place since none is available at this time? Are we to submit ALL CPARS or just the CPARS that we have available that demonstrate our firms similar project experience that we are using for Section L13.4 Factor 4 Past Performance? Can you please confirm?

---

**Response:**

**All CPARS for your business are required for the past (3) years. Vendors without CPARS will state why a CPARS is not available. An acceptable rating will be provided for vendors that have not received a CPARS rating.**
