

	CONSTRUCTION REQUEST FOR INFORMATION RFI No: 1		CONTRACTOR COMPANY: G&C Fab-Con, LLC	
			RFI REQUESTER: Cole Vettraino, Sr. Project Mgr.	RFI DATE: May 9, 2017
PROJECT NAME: Jacksonville National Cemetery		DESIGN FIRM: N/A		
PROJECT NUMBER: 928CM2003	CONST. PROJECT MANAGER: David "Dave" Martino	RFI RESPONDER: Dave Martino	RFI DATE RESPONDED: May 10, 2017	

Requested Information/Clarification:

Please clarify work associated with “historic maintenance building” (page 94) and the extent of the historic analysis and review needed (page 99.)

Response:

There was an error in the RFQ, This is the correct SOW relating to the buildings:

“ Included in this project is the installation of standby generators for the existing Administration and Maintenance Facilities and an evaluation of the existing structures to retrofit/incorporate Guiding Principles for High Performance and Sustainable Buildings MOU and Renewable Energy Initiatives as required.”

Delete the work:

“Maintenance Facility and Yard, and Historic Maintenance Building” as this was included in error.
