☒ An urgent and compelling need exists, and following the ordering procedures would result in unacceptable delays.

This requirement was competed five years ago in accordance with DVA guidance at the time, that National Acquisition Center Federal Supply Schedules be used to procure supplemental staffing services. The Kingdomware Decision in June 2016 changed the methodology for procuring these services. In order to comply with this Decision, more robust and extensive market research is required and a long term contract has not yet been awarded. This short term requirement will ensure that critical services are procured until the long term contract is awarded. If a task order is not awarded, the Consolidated Mail Outpatient Pharmacy will cease production and directly affect the medical prescription services to the nations' Veterans.

**(5) DESCRIBE WHY YOU BELIEVE THE ORDER REPRESENTS THE BEST VALUE CONSISTENT WITH FAR 8.4 TO AID THE CONTRACTING OFFICER IN MAKING THIS BEST VALUE DETERMINATION:**

The current contractor, DLH Solutions, has performed under Blanket Purchase Agreement VA797M-12-A-0001 since November 2011.

[REDACTED]

**(6) DESCRIBE THE MARKET RESEARCH CONDUCTED AMONG SCHEDULE HOLDERS AND THE RESULTS OR A STATEMENT OF THE REASON MARKET RESEARCH WAS NOT CONDUCTED:**

A Request for Information VA770-16-N-0406 (RFI) was issued on GSA E-Buy, ( RFQ1096254) on 31 May 2016 and closed on 14 June 2016 seeking qualified, experienced and interested potential sources. The RFI was limited to veteran owned small businesses, or service disabled veteran owned small businesses. Interested and capable businesses were encouraged to submit documentation of technical expertise to this office so that this office could determine that they possessed the necessary functional area expertise and experience to compete for this acquisition.

**(7) ANY OTHER FACTS SUPPORTING THE JUSTIFICATION:**

DLH staff has been performing pharmacist and pharmacy technician functions for the past five years and are completely familiar with the automation equipment and duties to support the CMOP mission. Further, there would be no transition time or expense associated with this bridge contract that would impact services and therefore negatively impacting veterans.

**(8) A STATEMENT OF THE ACTIONS, IF ANY, THE AGENCY MAY TAKE TO REMOVE OR OVERCOME ANY BARRIERS THAT LED TO THE RESTRICTED CONSIDERATION BEFORE ANY SUBSEQUENT ACQUISITION FOR THE SUPPLIES OR SERVICES IS MADE:**

None, as a Supreme Court ruling in the Kingdomware case could not have been anticipated.

**(9) REQUIREMENTS CERTIFICATION:** I certify that the requirement outlined in this justification is a Bona Fide Need of the Department of Veterans Affairs and that the supporting data under my cognizance, which are included in the justification, are accurate and complete to the best of my knowledge. I understand that processing of this limited sources justification restricts consideration of Federal Supply Schedule contractors to fewer than the number required by FAR Subpart 8.4. *(This signature is the requestor's supervisor, fund control point official, chief of service or someone with responsibility and accountability.)*
