13. FIRE AND CASUALTY DAMAGE.

(a) In case of full destruction or damage or partial destruction or damage which will render the premises completely untenable for a period in excess of 90 consecutive days, as reasonably determined by the Government, this Lease will immediately terminate, provided, however, that this Lease shall not terminate if:

(i) within fifteen (15) days after the incident of such fire or other casualty, the Lessor certifies in writing that the space can be repaired and the premises restored to tenantable condition within twelve (12) months of the date of such certification by the Lessor, subject to Excusable Delays; and

(ii) within thirty (30) days after the incident of such fire or other casualty Lessor locates, leases and obtains, or otherwise makes available to Government alternative temporary replacement space ("Replacement Space") to substitute for the untenable portion of the premises, until such time as the premises have been repaired or restored. Replacement Space may be in multiple locations within a radius of 5 miles from the premises, or such other area as the Government may then consider for relocation (the "Service Area"). The lessor is responsible for providing a shuttle service between the Replacement Space as a part of the rental rate. The Government will cooperate with Lessor to arrange the relocation of the services provided at the premises. Such Replacement Space must be medical clinic space that is substantially equivalent to the premises. Approval of Replacement Space by the Government will not be unreasonably withheld. During the period when the Government is utilizing Replacement Space, all other terms and conditions of the Lease shall remain the same except:

(1) The Replacement Space shall be substituted for the untenable portion of the premises, and

(2) If Lessor's rental rate for the Replacement Space is greater than Government's then-current rental rate for the premises, then Lessor may increase Government's rental rate for the Replacement Space to equal Lessor's rental rate for the Replacement Space, to a maximum of 10% per net usable square foot; provided, however, that the Government shall not be obligated to pay rent for any Replacement Space located in another Government facility.

(3) If the Lessor's rental rate for the Replacement Space is less than Government's then-current rental rate for the premises, then government's rental rate shall decrease per the difference between the lease rate for the premises and the replacement space.

Within thirty (30) days prior to the completion of interior construction, the lessor shall issue written notice to the Government to inspect the space. The Government will have fifteen (15) days to inspect and to either accept or identify items to be remedied prior to acceptance of the subject space. Upon acceptance

If, despite such diligent and continuous pursuit of such repair or restoration, the Lessor has not substantially completed such repair and restoration within such twelve (12) month period, the Government may terminate this Lease for Default, and, upon such termination the Government's obligation shall cease as well as the Lessor's obligations with respect to the Replacement Space.

If Lessor certifies that the space can be repaired and the premises restored to tenantable condition within a period of time greater than six (6) months, and Lessor otherwise fulfills the requirements set forth in this Clause 13, then Government may at its option choose not to terminate this Lease and to proceed as set forth in this Clause 13.

(b) In the event of a partial destruction or damage that renders a part of the premises untenable, as reasonably determined by the Government, then (x) the Lessor shall, within 30 days, diligently commence the repair or restoration of those damaged portions of the Premises to their former condition. If the Lessor is unable to restore the premises to tenantable condition within six (6) months of the date of receiving certification from the Lessor, then Government may at its option choose whether or not to terminate this lease. If the Government chooses to not terminate the lease, repairs and restoration will proceed as set forth in this Clause 13 the rent during the period of partial destruction or damage shall be proportionately abated during the period that such part of the premises is untenable effective from the date of such partial destruction or damage, and (z) Within thirty (30) days prior to the completion of interior repair and restoration, the lessor shall issue written notice to the Government to inspect the space. The Government will have fifteen (15) days to inspect and to either accept or identify items to be remedied prior to acceptance of the subject space. Upon acceptance by the Government of such repair and restoration, the rent will commence and the Government shall reoccupy the premises. During such time as the Lessor shall be repairing or restoring such part of the premises, rent shall not abate on any space not affected by such partial destruction or damage. If Lessor certifies that the space can be repaired and the premises restored to the former tenantable condition within a period of time greater than six (6) months, and Lessor otherwise fulfills the requirements set forth in this Clause 17, then Government may at its option choose not to terminate this Lease and to proceed as set forth in this Clause 13.

The lessor is responsible for providing a shuttle service between the Replacement Space as a part of the rental rate. The Government will cooperate with Lessor to arrange the relocation of the services provided at the premises. Such Replacement Space must be medical clinic space that is substantially equivalent to the premises. Approval of Replacement Space by the Government will not be unreasonably withheld. (3) If the Lessor's rental rate for the Replacement Space is less than Government's then-current rental rate for the premises, then Government's rental rate shall decrease per the difference between the lease rate for the premises and the replacement space.

(c) If the Lease is not terminated, as soon as practicable after a full or partial destruction or damage to the premises, but in no event more than fifteen (15) days thereafter, the Lessor shall provide to the Government a schedule and plans for accomplishing the repair or restoration. The Government shall have the right to review and approve such schedule and plans for repair or restoration of the premises, with the Government's approval not to be unreasonably withheld, conditioned or delayed.

ADDENDUM TO 3517B GENERAL CLAUSES

6. 52.219-24 SMALL DISADVANTAGED BUSINESS PARTICIPATION PROGRAM-TARGETS.

(a) This solicitation contains a source selection factor or subfactor related to the participation of small disadvantaged business (SDB) concerns in the contract. Credit under that evaluation factor or subfactor is not available to an SDB concern that qualifies for a price evaluation adjustment under the clause at FAR 52.219-23, Notice of Price Evaluation Adjustment for Small Disadvantaged Business Concerns, unless the SDB concern specifically waives the price evaluation adjustment.

ADDENDUM TO 3517B GENERAL CLAUSES

(b) In order to receive credit under the source selection factor or subfactor, the offeror must provide, with its offer, targets, expressed as dollars and percentages of total contract value, for SDB participation in any of the North American Industry Classification System (NAICS) Industry Subsectors as determined by the Department of Commerce. The targets may provide for participation by a prime contractor, joint venture partner, teaming arrangement member, or subcontractor; however, the targets for subcontractors must be listed separately.

7. 52.219-25 SMALL DISADVANTAGED BUSINESS PARTICIPATION PROGRAM-- DISADVANTAGED STATUS AND REPORTING (JAN 1999)

(a) Disadvantaged status for joint venture partners, team members, and subcontractors. This clause addresses disadvantaged status for joint venture partners, teaming arrangement members, and subcontractors and is applicable if this contract contains small disadvantaged business (SDB) participation targets. The Contractor shall obtain representations of small disadvantaged status from joint venture partners and teaming arrangement members through use of a provision substantially the same as paragraph (b)(1)(i) of the provision at FAR 52.219-22, Small Disadvantaged Business Status. The Contractor shall confirm that a joint venture partner or a team member representing itself as a small disadvantaged business concern is included in the SBA's on-line list of SDBs at <http://www.sba.gov> or by contacting the SBA's Office of Small Disadvantaged Business Certification and Eligibility. The Contractor acting in good faith may rely on a written representation of its subcontractor regarding the subcontractor's status as a small disadvantaged business concern as defined in 13 CFR 124.1002.

(b) Reporting requirement. If this contract contains SDB participation targets, the Contractor shall report on the participation of SDB concerns at contract completion, or as otherwise provided in this contract. Reporting may be on Optional Form 312, Small Disadvantaged Business Participation Report, or in the Contractor's own format providing the same information. This report is required for each contract containing SDB participation targets. If this contract contains an individual Small, Small Disadvantaged and Women-Owned Small Business Subcontracting Plan, reports may be submitted with the final Subcontracting Report for Individual Contracts (Standard Form 294) at the completion of the contract.

8. SMALL DISADVANTAGED BUSINESS PARTICIPATION PROGRAM—INCENTIVE SUBCONTRACTING (JAN 1999)

(a) Of the total dollars it plans to spend under subcontracts, the Contractor has committed itself in its offer to try to award a certain amount to small disadvantaged business concerns in the Standard Industrial Classification (SIC) Major Groups as determined by the Department of Commerce.

(b) If the Contractor exceeds its total monetary target for subcontracting to small disadvantaged business concerns in the authorized SIC Major Groups, it will receive I [Contracting Officer to insert the appropriate number between 0 and 10] percent of the dollars in excess of the monetary target, unless the Contracting Officer determines that the excess was not due to the Contractor's efforts (e.g., a subcontractor cost overrun caused the actual subcontract amount to exceed that

ADDENDUM TO 3517B GENERAL CLAUSES

estimated in the offer, or the excess was caused by the award of subcontracts that had been planned but had not been disclosed in the offer during contract negotiations). Determinations made under this paragraph are not subject to the Disputes clause of this contract.

(c) If this is a cost-plus-fixed-fee contract, the sum of the fixed fee and the incentive fee earned under this contract may not exceed the limitations in subsection 15.404–4 of the Federal Acquisition Regulation.
