

JUSTIFICATION FOR SINGLE SOURCE AWARDS IAW [FAR 13.106-1](#)
(OVER MICRO-PURCHASE THRESHOLD(\$3.5K) BUT NOT EXCEEDING THE SAT (\$150K))

IAW [FAR13.104](#), COs must promote competition to the maximum extent practicable to obtain supplies and services from the source whose offer is the most advantageous to the Government, considering the administrative cost of the purchase. When competition is not practicable, IAW [FAR13.106-1\(b\)](#), COs solicit from a single source for purchases not exceeding the simplified acquisition threshold. COs may solicit from one source if the CO determines that the circumstances of the contract action deem only one source reasonably available (e.g., urgency, exclusive licensing agreements, brand-name or industrial mobilization). IAW [FAR13.106-3\(b\)\(3\)](#), COs are required to include additional statements ***explaining the absence of competition*** (see [13.106-1](#) for brand name purchases) if only one source is solicited and the acquisition does not exceed the simplified acquisition threshold (does not apply to an acquisition of utility services available from only one source) or supporting the award decision if other than price-related factors were considered in selecting the supplier. This template when completed can be used to document single source awards IAW [FAR13.106-3\(b\)\(3\)](#). Note: Statements such as "only known source" or "only source which can meet the required delivery date" are inadequate to support a sole source purchase.

1. ACQUISITION PLAN ACTION ID:
VA244-17-AP-5784

**1A. PROJECT/TASK
No.**

1B. ESTIMATED AMOUNT:
\$55,000.00

2. BRIEF DESCRIPTION OF SUPPLIES OR SERVICES REQUIRED AND THE INTENDED USE:
Stationary Engineers to supplement staff in operating and maintaining the boiler plant.

3. UNIQUE CHARACTERISTICS THAT LIMIT AVAILABILITY TO ONLY ONE SOURCE, WITH THE REASON NO OTHER SUPPLIES OR SERVICES CAN BE USED:

Coatesville has an emergent need for the above mentioned requirement. Powerhouse, a small business, has provided services in the past for the Coatesville and the COR, William Strong is familiar with their work.

In order to successfully provide temporary staffing to commence work this week, it is deemed necessary and in the best interest of the Government to sole source this requirement to Powerhouse.

3. DESCRIPTION OF MARKET RESEARCH CONDUCTED AND RESULTS OR STATEMENT WHY IT WAS NOT CONDUCTED:

As this is an emergent requirement, and Powerhouse is familiar with the boiler plant system, it is determined necessary and in the best interest to sole source this requirement to Powerhouse.

5. Contracting Officer's Certification: *Purchase is approved in accordance with FAR13.106-1(b). I certify that the foregoing justification is accurate and complete to the best of my knowledge and belief. Note: COs are required to make a determination of price reasonableness IAW FAR 13.106-3. See the [Commercial Supply and Service SOP](#) for Price Reasonableness templates.*
