

## Questions/Answers Fisher House

1. The theatre room that is not attached to the main facility is not included in the floor plans.  
Answer: No floor plan available ; dimensions are 18'x20'x9' h
2. The floor plans show no rooms labeled as the media room, or TV room, but the statement of work keeps referring to work being done in both the media and TV rooms.  
Answer: TV room adjacent to kitchen, Media room is detached building behind main building.
3. **Paint 21 rooms, all base boards, doors and frames on the first floor.** The statement in red is from the description of services, and very difficult to interpret. Does the contractor need to paint all the baseboards, doors, and frames throughout the entire facility(first and second floor), or just in the 21 bedrooms that's being requested to paint?  
Answer: Paint all rooms , base boards, doors, and frames upstairs as well.
