Telephone inquiries will not be accepted.

Proposal Evaluation:

The Government intends to award a purchase order resulting from this announcement using the evaluation method of “Lowest Price Technically Acceptable.”

EVALUATION FACTORS FOR AWARD

Evaluation Process:

Quotes will be evaluated in accordance with FAR 13.106-2 Evaluation of Quotations or Offers and FAR 15.101-2 Lowest Price Technically Acceptable Source Selection Process

The Government intends to award a contract resulting from this solicitation using the evaluation method "Lowest Price Technically Acceptable." This method is appropriate when best value is expected to result from selection of the technically acceptable offer with the lowest evaluated cost/price. Offers will be evaluated for acceptability but not ranked using the non-cost/price factors. Evaluation factors and significant sub factors that establish the requirements of acceptability are set forth below. Award will be made on the basis of the lowest evaluated price of proposals meeting or exceeding the acceptability standards for non-cost factors (FAR 15.101-2). The following factors shall be used to evaluate offerors on a lowest cost, technically acceptable bases in accordance with FAR 15.101-2:

A. Price

A. Technical Qualifications: Technical capability will be evaluated to determine the extent to which it demonstrates a clear understanding of all features involved in performance of the requirements identified in the SOW. The proposal should not simply restate the Government's requirements, but it should describe, in detail, how the Offeror intends to meet the requirements. For example:

- Experience of company in performing this type of work? Have you done/performed services for a cemetery in the past? Please explain. See SOW for more information of what is needed.
- Qualification of Technical/key Personnel (resumes of key personnel, training, experience, certifications)
- Sufficient Personnel/Equipment (list)
- Performance Plan:
Submit a detailed performance plan to indicate how the contractor plans to meet the goals of the cemetery (i.e. performance schedule). The contractor's proposal will be evaluated on how well it meets the performance goals of this contract.

Identify any subcontractor(s) to be used in performance of this contract, along with the subcontractor's socio-economic status (e.g. Disabled/Veteran owned, Woman owned, Small, Large Business, etc.). If using a subcontractor, list the type and percent of work each party will perform.

IL-001AL-11-15-A Subcontracting Plan - Monitoring and Compliance:

This solicitation includes FAR 52.219-9, Small Business Subcontracting Plan, and VAAR 852.219-9, VA Small Business Subcontracting Plan Minimum Requirement. Accordingly, any contract resulting from this solicitation will include these clauses. The contractor is advised in performing contract administration functions, the CO may use the services of a support contractor(s) to assist in assessing the contractor's compliance with the plan, including reviewing the contractor's accomplishments in achieving the subcontracting goals in the plan. To that end, the support contractor(s) may require access to the contractor's business records or other proprietary data to review such business records regarding the contractor's compliance with this requirement. All support contractors conducting this review on behalf of VA will be required to sign an "Information Protection and Non-Disclosure and Disclosure of Conflicts of Interest Agreement" to ensure the contractor's business records or other proprietary data reviewed or obtained in the course of assisting the CO in assessing the contractor for compliance are protected to ensure information or data is not improperly disclosed or other impropriety occurs. Furthermore, if VA determines any services the support contractor(s) will perform in assessing compliance are advisory and assistance services as defined in FAR 2.101, Definitions, the support contractor(s) must also enter into an agreement with the contractor to protect proprietary information as required by FAR 9.505-4, Obtaining access to proprietary information, paragraph (b). The contractor is required to cooperate fully and make available any

records as may be required to enable the CO to assess the contractor compliance with the subcontracting plan.
