

SECURITY REQUIREMENT:

Contractor will be required to comply with physical security guidelines by either checking in with the VA Police each time they come on-site to perform contracted services or by obtaining a VA Contractor ID badge from the VA Police. Contractor is to be escorted at all times when on station. Contractor should not have any contact with PHI/PII.

If the Contractor requires access to the VA Network, then the appropriate level of background investigation must be completed as well as the Mandatory TMS trainings for VA Privacy & Information Security and also Privacy & HIPAA, prior to access being granted.

A Medical Device Risk Analysis may need completed prior to connecting it to the VA Network
