REPLY NEEDED BY:		

<b>INFORMATION NEEDED:</b> Are the coded messages that play throughout the campus required to be in operation throughout the replacement of the fire alarm system?
<b>REPLY:</b> RFI No. 10 The coded messages are not required to play throughout the construction period. Options exist for providing coverage during construction. The contractor is required to provide fire detection and notification at all times (or fire watch), either via bells or messages, and in accordance with NFPA requirements.
