4. Statutory Authority Permitting Other than Full and Open Competition:

Brand Name justification does not permit Full and Open Competition.

5. Demonstration that the Contractor's Unique Qualifications or Nature of the Acquisition Requires the Use of the Authority Cited Above (applicability of authority):

- The site is not requesting purchase from any certain vendor. Multiple vendors offer this named brand item.
- This is a brand name specific requirement.

6. Determination by the Contracting Officer that the Anticipated Cost to the Government will be Fair and Reasonable:

- Thorough market research has been conducted and it has been found that either of the MedSurg Items named in Table 1 is not found to be on VA NAC or GSA contract.
- Several small businesses suggested by the end-user on the submitted Recommended Source List including VOSB and SDVOSB wholesalers/distributors may be able to provide these Med/Surg items listed on Table 1. This information is being obtained from the end-user and from previous procurements of similar items on this request, which were done by seeking competing vendors for the items listed on Table 1 on the open market.

7. Description of the Market Research Conducted and the Results, or a Statement of the Reasons Market Research Was Not Conducted:

- The North Charleston CMOP anticipates the cost to the Government will be fair and reasonable based on recent prices paid by CMOP.
- There will be competition between wholesalers/distributors for the requested items listed on table 1.

8. Any Other Facts Supporting the Use of Other than Full and Open Competition:

- After searching NAC & GSA, there are no available contracts for any of the items requested. A search of the Center for Veteran Enterprise Vendor Information Pages using the NAICS code 325413 revealed 13 SDVOSBs or VOSBs.
- A query at the SBA Dynamic Search portal returned 197 possible small business vendors.
- However, these vendors are not engaged in manufacture, but are distributors for large business wholesalers.
- The Government is not allowed to do business using wholesale Trade or Retail Trade NAICS codes, searches must be conducted using the manufacture NAICS code of 325413.

9. Listing of Sources that Expressed, in Writing, an Interest in the Acquisition:

- NOT APPLICABLE

10. A Statement of the Actions, if any, the Agency May Take to Remove or Overcome any Barriers to Competition before Making subsequent acquisitions for the supplies or services required:

- NOT APPLICABLE

11. Requirements Certification:

- At this time, the Physician has prescribed the brand specific above mentioned item: ONE TOUCH ULTRA (GLUCOSE) TEST STRIP 50CT — Manufactured by LifeScan. However, the item specified in Table 1 can be provided by suppliers other than the Manufacturer. Within the VHA, any Med-Surg item may be prescribed by physicians when, in their clinical judgment, the specified brand name pharmaceutical items will provide a better therapeutic outcome for patients. In this case, the brand specific Med-Surg item is listed on Table 1. **LifeScan** is the only brand that will meet the specific needs of the patients; however, we are still competing amongst distributors.
