

## STATEMENT OF WORK Pan Flu PPE Kits

### 1. **GENERAL:**

This statement of work is for the acquisition of a Pan Flu Personal Protective Equipment (PPE) system used in Emergency Management during highly infectious disease surge operations and to better utilize the extremely limited EM storage space.

The Ralph H. Johnson VA Medical Center currently has an older set of PPE kits that were developed locally. Much of the kits are out of date or near out of date. This system will replace the kits with a standardized package used by several other VAMCs, including VAMC Augusta..

### 2. **DESCRIPTION OF REQUIRED EQUIPMENT:**

Please, purchase the following:

Decon Equipment Organizer protects valuable decontamination equipment during storage and enables the mass movement/deployment of these bulk supplies in an emergency. The device must be self-contained and capable of moving on casters/roller-wheels (non-powered).

#### **Requirements of Required Equipment:**

- Pan Flu or Highly Infectious Disease Personal Protective Equipment (PPE)
- Medical surge kits for use in a pandemic emergency

#### **Assumptions:**

The Ralph H. Johnson VA Medical Center the following assumptions in the development of litter storage units are described below:

1. The Pa Flu PPE Kits will be delivered to the facility warehouse with the rest of the Emergency Management equipment unless more space is made available.
2. Units will arrive assembled and ready for deployment.

#### **Acceptance:**

The storage units shall be considered accepted upon the successful execution and completion of the on-site functional acceptance test for fit, form and function.

**Change of Order Process**

Either Party may request changes within the general scope of this Agreement. If a requested change causes an increase or decrease in the cost or time required to perform this Agreement, the Parties will agree to an equitable adjustment of the Contract Price, Performance Schedule, or both, and will reflect the adjustment in a change order. Neither Party is obligated to perform requested changes unless both Parties execute a written change order.

**3. DAYS AND HOURS OF OPERATION/RECEIVING HOURS:**

Monday – Friday, 8:00 a.m. to 4:30 p.m., excluding federal holidays.

# Staff Personal Protective Equipment (Pan-Flu Cache)

## Model: PFC-SPPE

The Staff Personal Protective Equipment module includes supplies used to reduce staff exposure to hazards within a medical environment. This Pan-Flu Cache module is designed to be utilized during an influenza pandemic. It is intuitively organized and ready to become part of a Response-Friendly™, all-hazards, emergency stockpile.

### Module features:

- N95 Masks
- Surgical Masks w/ Face Shield
- Gowns
- Gloves
- Glasses
- 13 Response-Ready Containers
  - Stackable
  - 4-way forklift access
  - Lids protect supplies
  - Custom ID tags included
  - No racks needed
