

ATTACHMENT A

This is a combined synopsis/solicitation for commercial items/services prepared in accordance with the format in FAR Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested and a written solicitation will not be issued. The Miami VA Hospital requires 212 specialized hospital beds with adjustable height, micro-climate management, and other safety features (see salient characteristics and technical specifications on Attachment B). The successful contractor shall deliver, setup beds, and provide user training as required.

This solicitation shall be issued as a 100% veteran-owned, small business set-aside with award preference given in accordance with VA Acquisition Regulation Subpart 819.7004. A comparative evaluation shall be made on all quotes received. The evaluation team shall evaluate:

1. Quoters' registration in VIP,
2. Functionality/Specifications of the quoters' bed against the salient characteristics and technical specifications,
3. Delivery date,
4. Price of the bed (per unit), and
5. Annual warranty price (after expiration of initial, inclusive warranty)

This document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular 2005-94, 2005-95, effective 01/19/2017 (see Attachment C). The associated North American Industry Classification System (NAICS) Code for this acquisition is 339113, size standard 750 employees. The non-manufacturer rule does not apply.
