* = Required Field

- A. The Contractor: Shall furnish all labor and material to repair or replace the clutch on two John Deere tractors and remove and disassemble trans-repair 5 gears on two John Deere Pro Gators for the Houston National Cemetery.
- B. The Work: The Work shall include, but shall not be limited to the following (not necessarily in the order indicated):

TRACTORS

1. Contractor shall diagnose and repair/replace the clutch disk on a 2009 & 2010 Model 4005s John Deere Tractor.
2. The Contractor shall procure and install all parts associated with said tractors, to include, but shall not be limited to disc springs, plates, bearings and sleeves.

Pro Gator 2030a

1. Contactor shall remove and disassemble trans-repair 5 gear.
2. The Contractor shall procure and install all parts associated with said Gators, to include, but shall not be limited to bearings, rings, springs, hubs, shifters and gears.

C. General Conditions:

1. Although this work isn't required to be performed by a John Deere service department, it would make sense given the equipment and parts belong to them. Materials and workmanship used in repairing said equipment shall be performed accordingly.
2. A cost for the vendor to pick up and deliver after repair of said equipment (2 tractors/2 gators) must be included in the price.

D. Time of Completion: The project shall be completed within 45 calendar days after Notice to Proceed. Contractor shall submit an itemized breakdown of the work being performed, the parts required and the labor costs associated with the repair of said equipment.

E. Code Compliance: All work shall be performed in accordance with National, State, and Local Codes associated with said service.

E. Contractor Quality Control: The Mechanic at the Houston National Cemetery will inspect the quality of work performed and certify the completed work for payment and other purposes.

F. POC: The Contracting Officer's Representative (COR) for this project is Scott Weber, Foreman, Houston National Cemetery.

END OF SCOPE OF WORK

The National Cemetery Administration is soliciting offers under Solicitation No. VA786-17-Q-0572 for the following service:

The intent of an awarded contract shall include, but shall not be limited to the following (not necessarily in the order indicated):

TRACTORs

3. Contractor shall diagnose and repair/replace the clutch disk on a 2009 & 2010 Model 4005s John Deere Tractor.
4. The Contractor shall procure and install all parts associated with said tractors, to include, but shall not be limited to disc springs, plates, bearings and sleeves.

Pro Gator 2030a

- 3 Contactor shall remove and disassemble trans-repair 5 gear.
- 4 The Contractor shall procure and install all parts associated with said Gators, to include, but shall not be limited to bearings, rings, springs, hubs, shifters and gears.

The Contractor shall furnish all supervision, labor, transportation, equipment, supplies, and materials, to repair this equipment at Houston National Cemetery. Period of Performance is 45 days after receipt of order.

Work shall be performed in strict accordance with all terms, conditions, specifications. Performance shall be in accordance with the requirements, conditions, terms and representations contained in this solicitation, any pertinent OSHA Occupational and Safety regulations, and any State and/or local regulations, laws and codes.

This acquisition is for a 100% Service Disabled Veteran Owned Small Business Set-Aside.

The NAICS Code is 811411. Size standard is \$7.5 Million. An electronic solicitation is available for download from <http://www.fbo.gov> on 06/23/2017. Responses to the solicitation are due at 2pm MST. on 07/07/2017. Any amendments to the solicitation will also be available at www.fbo.gov. Offerors are advised they are responsible for obtaining any amendments.

Failure to submit all documentation as required may result in your submission being determined non-responsive and removed from further consideration.
