**SECTION 00 11 21
REQUEST FOR PROPOSAL**

A. PART I - GENERAL

A1. Scope of Contract

- A. Project Number:** 605-330
- B. Project Title:** Inpatient Psychiatry Expansion Minor Construction
- C. Project Location:** San Diego VA Medical Center located at 3350 La Jolla Drive, San Diego, CA 92161
- D. Scope of Work:**
See Solicitation VA701-17-R-0082 and all Attachments.

A2. Definitions

- A.
 1. Contracting Officer (CO): A person with the authority to enter into, administer, and/or terminate contracts and make related determinations and findings. The term includes certain authorized representatives of the contracting officer acting within the limits of their authority as delegated by the contracting officer. "Administrative contracting officer (ACO)" refers to a contracting officer who is administering contracts. "Termination contracting officer (TCO)" refers to a contracting officer who is settling terminated contracts. A single contracting officer may be responsible for duties in any or all of these areas.
 2. Contracting Officer's Representative (COR): The Contracting Officer's written designation of a representative responsible for administering contracts under the immediate direction of the Contracting Officer. For the purposes of this contract the term "COR" will be used herein.
 3. Technical Monitor (TM): This term, as used herein, refers to the person(s) assisting the COR in administering contracts under the immediate direction of the Contracting Officer.
 4. Contractor: This term, as used herein, refers to the contractor under this contract. The contractor is solely responsible for the management (planning, supervision, and contract coordination) and construction (including all labor, equipment, materials, tools, and inspections) to meet the requirements of this contract.
 8. Project Management: The contractor shall provide an individual in the capacity of a contractor project manager. The contractor

ATTACHMENT 1

project manager shall have legal (on-site signature) authority to represent the Contractor. The Project Manager shall be the initial point of contact for coordinating with the VA.

A3. Pre-Proposal Conference & Site Walk through

The VA has scheduled the following pre-proposal site visit. See Federal Acquisition Regulation (FAR) Clause 52.236-27 of this solicitation for the date. Contractors shall meet at the San Diego VAMC Engineering Office, in the Basement of Building 11 Spinal Cord Injury Building (SCI), where they will be escorted by VA personnel to Conference Room # BB107. Please refer to ATTACHMENT 10 - SITE VISIT LOCATION MAP.

All potential Offerors, subcontractors and suppliers are strongly encouraged to attend this site visit.

*If contractors want to go into the interstitial spaces to observe, they will need to have the following at time of the site visit:

- 1) An OSHA accepted Class IV certificate indicating completion of a minimum 2 hours of training from an entity licensed/certified providing such training;
- 2) Medical approval from a licensed medical provider;
- 3) A respirator fit test from an entity licensed/certified conducting such test; and
- 4) All necessary gears and coverall for accessing interstitial.

A4. Selection Criteria

- A. In accordance with FAR Part 15, the Government intends to award a contract resulting from this solicitation to the responsible Offeror whose proposal represents the best value after evaluation in accordance with the factors in the solicitation. Responsibility determination will be made in accordance with **FAR 9.1, Responsible Prospective Contractors.**
- B. Evaluations - All proposals shall be subject to evaluation by a team of Government personnel. The Government reserves the right to award without discussions based upon the initial evaluation of the proposals. The proposals will be evaluated in accordance with the content provided in the solicitation. Using the tradeoff process under best value, it may be in the Government's best interest to consider award to other than the lowest price Offeror or other than highest Non-Price rated Offeror. All evaluation factors other than price, when combined are

ATTACHMENT 1

approximately equal to price. The evaluation factors are listed in descending order of importance.

Evaluations will be based on the following evaluation factors:

1. Construction Experience
2. Project Execution
3. Key Personnel Experience
4. Past Performance

B. PART II - RESPONSIBILITIES

B1. VA Team

- A. The VA team is comprised of the VHA-PCAC Contracting Officer, the COR who will be located at the construction site and VA Medical Center staff.

B2. Use of Advisors

- A. Contractors are advised that VA contractor personnel may assist the Government during the Government's evaluation of Proposals. The persons shall be authorized access to only those portions of the proposal and discussions that are necessary to enable them to provide specific technical advice on specialized matters or on particular problems. These individuals will be required to protect the confidentiality of any specifically identified trade secrets and/or privileged or confidential commercial or financial information obtained as a result of their participation in this evaluation. They shall be expressly prohibited from scoring, ranking or recommending the selection of an Offeror.

C. PART III - PROPOSAL REQUIREMENTS

C1. General

3. Failure to furnish the required bid guarantee in the proper form and amount, by the time specified in Block 13 of SF 1442, may result in rejection of the proposal. SEE FAR Provision 52.228-1, Bid Guarantee, of this Solicitation.

C2. Proposal Format

- A. Non-Price and Price sections of the Offerors proposals will be evaluated independently; therefore, the Offeror shall submit the proposal in two (2) Volumes (Volume I: Non-Price and Volume II: Price). In order that the Volume I Non-Price may be evaluated strictly on the merit of the material submitted, the contractor shall include **NO** price information in Volume I. Offeror shall separate Volumes I and II. Both Non-Price and Price volumes, therefore, must be labeled with the Offeror's organization, business address, and VA Solicitation Number.
- B. The Offeror shall submit Volumes I and II in electronic format as searchable PDF documents. The proposal, in its entirety, shall not exceed two emails (one email for Price proposal, and one email for Non-Price proposal) of 5MB each. Include page numbers and the company name in the header or footer of each page.
- C. The offer, including title page, detailed table of contents, preface, for Volume I Non-Price shall not exceed a total of **THIRTY-FIVE (35)** pages in Microsoft Arial size 12 font. This page limit does not apply for any of the Past Performance Questionnaires that are submitted directly to the Contracting Officer. Volume II Price Proposal shall not exceed a total of **TWENTY (20)** pages in Arial size 12 font. The SF 1442, Representations and Certifications and acknowledged amendments shall all be part of Volume II and will not count against the page limitations. Use graphic presentations where such use will contribute to the compactness and clarity of the proposal.

ATTACHMENT 1

- D. A page is defined as each face of an 8.5 X 11 inch sheet of paper containing information. Note, submission of the draft project schedule only, can be submitted by utilizing larger paper. All information (except for document numbers, page numbers, etc.) shall be provided in an image area of 7 X 9 inches. Note, this does not apply for the submission of the draft project schedule. The background color of each page of the submission shall be white or ivory stock only. Excess pages will not be evaluated. Text lines will be single-spaced. A smaller font size for any graphics presented in a proposal is permitted as long as the information is legible to the human eye. Fonts other than Arial are permissible in the presentation of graphic material only.
- E. The Offeror's responses shall clearly address each evaluation factor listed in this solicitation. Failure to submit in the format required and clearly address those factors may result in this offer being rated unacceptable.
- F. Offeror shall include all required Representations and Certifications; and acknowledge receiving amendments by filling out section 19 of the SF 1442 and returning a signed copy of the amendment(s) with the offer. The Representations and Certifications and acknowledged Amendments shall be included in Volume II of the proposal and will not count as part of the page limitations.
- G. Offeror shall include the Safety or Environmental Violations and Experience Modification Rating Information as part of Volume II, including filling out **ATTACHMENT 9**. It will not be evaluated as Price, nor will it count against the page limitations.
1. All Offerors shall submit information pertaining to their past Safety and Environmental record. The information must contain a certification that the Offeror has no more than three (3) serious, or one (1) repeat or one (1) willful OSHA or any EPA violation(s) in the past three years. If such certification cannot be made, an Offeror shall explain why and submit as much information as possible regarding the circumstances of its past safety and environmental record, including the number of EPA violations and/or the number of serious, repeat, and/or willful OSHA violations, along with a detailed description of those violations.
 2. All Offerors shall submit information regarding their current Experience Modification Rate (EMR). This information shall be obtained

ATTACHMENT 1

from the Offeror's insurance carrier and be furnished on the insurance carrier's letterhead. If an Offeror's EMR is above 1.0, Offeror must submit a written explanation of the EMR from its insurance carrier furnished on the insurance carrier's letterhead, describing the reasons for the elevated EMR and the anticipated date the EMR may be reduced to 1.0 or below.

3. Self-insured contractors or other contractors that cannot provide their EMR rating on insurance letterhead must obtain a rating from the National Council on Compensation Insurance, Inc. (NCCI) by completing/submitting form ERM-6 and providing the rating on letterhead from NCCI. Note: Self-insured contractors or other contractors that cannot provide EMR rating on insurance letterhead from the states or territories of CA, DE, MI, NJ, ND, OH, PA, WA, WY, and PR shall obtain their EMR rating from their state run worker's compensation insurance rating bureau.

4. If the NCCI cannot issue an EMR because the Offeror lacks insurance history, Offeror shall submit a letter indicating so from its insurance carrier furnished on the insurance carrier's letterhead, and include a letter from the NCCI indicating that it has assigned Offeror a Unity Rating of 1.0.

5. The above information, along with other information obtained from Government systems, such as the OSHA and EPA online inspection history databases, will be used to make an initial Determination of Responsibility.

6. This requirement is applicable to all subcontracting tiers, and prospective prime contractors are responsible for determining the responsibility of their prospective subcontractors.

*If the EMR rating for the subcontracting tiers cannot be provided at time of proposal submission, the prime contractor shall acknowledge this and provide as a submittal with the insurance and bonding requirements.

7. Failure to provide the **ATTACHMENT 09** containing the above information, may result in a determination that an Offeror is not responsible and therefore ineligible for award.

C3. Final Proposal Revisions

- A. If determined to be necessary, proposal revisions will be requested from the proposals received. The CO will identify those Offerors, whose proposals are within the competitive range, considering the selection

ATTACHMENT 1

criteria identified in this section. Discussions may be conducted with those Offerors falling within the competitive range, after which proposal revisions will be requested. Sealed proposal revisions will be submitted as per Part III.C1.C, above, except as noted below and will be due at a time and place to be determined.

- B. Offerors submitting proposal revisions will not be requested to re-submit any documents which are unchanged from their initial proposals. They should provide necessary changes to individual paragraphs, as briefly as possible, together with a table of contents, which clarifies where within the initial proposal the additional information or changed documents would be placed. Proposal revisions shall include a completed **SF 1442** that acknowledges receiving all amendments, by number. A new bid bond shall be submitted only if the final proposal revisions Offeror's price proposal is greater than its initial price proposal.

*Note this section C.3 only applies if discussions are conducted.

C4. Non-Price Proposal Requirements (Volume I)

- A. The proposal shall address the following Non-Price evaluation factors. Evaluations will be conducted in accordance with criteria in provided in Part I, A4:

1. Volume I, Factor 1, Construction Experience (Non-Price):

Submit a maximum of three (3) construction projects for the Offeror that best demonstrates your experience on relevant projects that are similar in size, scope, and complexity to the RFP. The projects must demonstrate an offeror's construction experience as a prime construction contractor directly responsible to the owner and managing multiple subcontractors. For purposes of this evaluation, a relevant project is further defined as "a construction, alteration, or repair of completed clinical, hospital or other medical related use space similar in size and scope to this project." Project(s) shall have a minimum value of \$2,000,000 and be 100% completed. Projects submitted for the Offeror shall be completed within the past five (5) years of the date of issuance of this RFP.

A project is defined as a construction project performed under a single task order or contract. For multiple award and indefinite delivery/indefinite quantity type contracts, the contract as a whole shall not be submitted as a project; rather Offerors shall submit the work performed under a task order as a project.

Offeror's submission should include at a minimum:

ATTACHMENT 1

- Provide the Project Title and Description, Project Location (Physical Address); Contract Type (Example: Design Build, Design Bid Build).
- Provide the project owner name and telephone number of the owner's contact person.
- Provide a description of the scope of work, to include the work performed by the prime contractor.
- Provide project statistics including start and completion dates (original vs actual) and project cost (original vs actual. If original vs actual completion dates and project cost differ, please explanation as to why they differ.

If the Offeror is a Joint Venture (JV), relevant project experience should be submitted for projects completed by the Joint Venture entity. If the Joint Venture does not have shared experience, projects shall be submitted for each Joint Venture partner. Offerors who fail to submit experience for all Joint Venture partners may be rated lower.

2. Volume I, Factor 2, Project Execution (Non-Price):

Provide a Draft Project Schedule:

Prepare and submit a practicable construction schedule showing all necessary work elements to complete the project identified under this solicitation. The schedule must be in the form of a progress chart of suitable scale to indicate appropriately the percentage of work scheduled for completion by any given date during the performance period. The submitted schedule must be developed using project scheduling software such as MS Project, Primavera, or any other comparable form.

Each Offeror's construction schedule must address the following:

- Order of work elements to include project phasing
- Number of days for each work element
- Identification of long lead time materials
- Identification of separate work elements

The proposed schedule must include the activities which are consistent with those described within the project specifications and drawings and must not exceed the Government's maximum allowable performance period, as noted in Block 11 of the SF 1442. The project will start at the issuance of the Notice to Proceed. For scheduling purposes, assume the Notice to Proceed will be issued thirty (30)

ATTACHMENT 1

calendar days after the award date. (Note that there is no guarantee the Notice to Proceed will be issued within this timeframe.)

*The schedule submitted with the offer should not be construed as the agreed upon schedule as per FAR 52.236-15, the contractor shall, within five (5) days after receiving the Notice to Proceed, submit a revised schedule which will supersede the proposed schedule. The revised schedule will be subject to VA approval and must show the project being accomplished within the time frame specified on the SF 1442.

Provide Narrative for Project Challenges:

Describe in a written narrative, the challenges identified for this project and a plan for addressing these challenges. This plan shall include how to minimize the disruption of patient care to the greatest extent possible.

3. Volume I, Factor 3, Key Personnel Experience (Non-Price):

The Offeror shall provide a resume for each of the following key personnel members, to include the Project Manager, On-Site Superintendent, designated Competent Person (as defined by OSHA)/Safety Point of Contact, and all of the identified or known Major Subcontractors. (It is recognized that not all subcontractors may be identified by the time of proposal submission.) For each resume, include name of company, name of individual, relevant listing of experience, qualifications for each person such as specialized training, education, experience. (For the subcontractors identified, provide a resume of that company and identify any key personnel that would be involved with this project and any of their relevant experience.) Please delineate approximate % of work the prime contractor will perform on this job and the approximate % of work the subcontractors (collectively) will perform on this job.

4. Volume I, Factor 4, Past Performance (Non-Price):

Each proposal shall provide current and relevant information regarding an Offeror's actions under previously awarded contracts referenced under Factor 1, Construction Experience. If a completed past performance evaluation is available in PPIRS, it shall be submitted with the proposal for each project referenced in Factor 1, Construction Experience. If there is not a completed past performance evaluation available in PPIRS, then the Offeror shall

ATTACHMENT 1

submit Past Performance Questionnaires (PPQ (reference ATTACHMENT 8) for each project referenced in Factor 1, Construction Experience. The Offeror shall notify their client that they PPQ shall be submitted via email to the Government's point of contact Donald.marsh2@va.gov. If the Offeror is unable to obtain a completed PPQ from a client for a project(s) before proposal closing date, the Offeror shall complete and submit with the proposal the first page of the PPQ, which will provide contract and client information for the respective project(s). The Government may make reasonable attempts to contact the client noted for that project(s) to obtain the PPQ information. However, Offerors should follow-up with clients/references to help ensure timely submittal of questionnaires.

The Government reserves the right to contact references for verification or additional information.

C5. Price Proposal Requirements (Volume II)

Volume II: Price:

- A. Carefully follow "Instructions, Conditions, and Notices to Offerors". **Standard form (SF) 1442 Solicitation, Offer and Award (Construction, Alteration, or Repair)** and the pricing schedule located on PAGE 6 when submitting price offers. Submit a bid guarantee as stipulated in the Section "Instructions, Conditions, and Notices to Offerors".
- B. In addition to the pricing schedule, Offerors shall submit a complete Breakdown of the Division Pricing for CLIN 0001.
- C. The prices shall be Firm Fixed Price. The Offeror shall take care not to include remarks that take exception to the Government's Specifications/Drawings or pricing requirements or otherwise preclude the Government from evaluating the offer or render the offer as unacceptable.
- D. If the Offeror communicates in its proposal any qualifications, exceptions, exclusions, or conditions to the proposed prices not provided for in the Offerors proposal documents, the Contracting Officer may reject the proposal and exclude the Offeror from further discussions.

C6 Evaluation of Offers

The evaluation of Offerors will be conducted in accordance with Part I, A4.

A. Factor 1, Construction Experience (Non-Price):

ATTACHMENT 1

Will be evaluated on relevant and recent experience of construction contracts and/or contracts of comparable size, complexity and scope.

B. Factor 2, Project Execution (Non-Price):

Will be evaluated relative to overall coordination of the construction phase, to include ability to identify all necessary work elements of the specific project, and the Offerors ability to schedule the activities in a logical sequence and within the time required in this solicitation. The VA will evaluate the Offeror's plan for identifying and addressing the challenges of this construction project in accordance with solicitation requirement and minimize impact to patient care.

C. Factor 3, Key Personnel Experience (Non-Price):

Will be evaluated on relevant management and technical personnel and subcontractor capabilities and qualifications to provide the required planning, implementation and completion of the project.

D. Factor 4, Past Performance (Non-Price):

Will be evaluated on the quality of the Offeror's past performance within the last five (5) years with respect to the construction projects listed in Evaluation Factor 1, Construction Experience. This includes, the timeliness of contract completion, adherence to contract schedules and timely submission of data deliverables; the contractor's ability to comply with the terms and conditions of the contract; the overall quality of the work performed on the contract; the Offeror's managerial performance' and whether or not the reference would enter into a contract with the contractor again. Contractors without relevant past performance or for whom past performance information is not available, will be rated neither favorably nor unfavorably on past performance. In the event that the prime contractor does not have relevant past performance, surveys submitted for key personnel will be evaluated. Past performance evaluations may also be conducted using information obtained from CPS or PPIRS and **any** other sources deemed appropriate by the CO. Other sources may include, but are not limited to, inquiries of owner representative(s), Federal Awardee Performance and Integrity Information System (FAPIIS), Electronic Subcontract Reporting System (eSRS), and any other known sources not provided by the Offeror.

E. Price:

ATTACHMENT 1

The Government will evaluate offers in accordance with the process identified in the Price Schedule. The total evaluated price will be determined by the Offeror's price for CLIN 0001, Item I General Construction. The VA reserves the right to award to a higher priced offeror in accordance with the stated evaluation criteria. The VA also reserves the right to award to a lower priced, lower rated offeror if it's in the interest of the VA.
