#### **Evaluation Process:**

**Quotes will be evaluated in accordance with FAR 13.106-2(b) Evaluation of Quotations or Offers**

-Pricing shall be submitted as requested in the Schedule of Supplies/Services.

The Government intends to award a purchase order resulting from this solicitation using the evaluation method "Lowest Price Technically Acceptable." This method is appropriate when best value is expected to result from selection of the technically acceptable offer with the lowest evaluated cost/price. Offers will be evaluated for acceptability but not ranked using the non-cost/price factors. Evaluation factors and significant sub factors that establish the requirements

of acceptability are set forth below. Award will be made on the basis of the lowest evaluated price of proposals meeting or exceeding the acceptability standards for non-cost factors.

**A. Price.** Quotations shall be evaluated, for award purposes, based upon the total price proposed. The sum of all the CLINs will represent the total evaluated price.

**B. Technical Acceptability.** Each offeror's technical quotations will be evaluated to determine if the offeror provides a products or products compliant with the product description, salient characteristics, warranty, and delivery time found on pages 2 -3 of this document. An evaluation rating of Technically Acceptable / Non-Acceptable will be assigned upon completion of the technical quotations evaluation. If an offeror receives a technical rating of "Non-Acceptable" they will not be considered for award.
