

SECTION B – STATEMENT OF WORK (SOW)

1. Background:

The SFVAHCS has a requirement for video monitors, video routers, miscellaneous connecting cables and related items, and a turnkey installation.

2. Scope of Work:

The scope of work includes providing the equipment, software, and turnkey installation. The equipment will be installed in operating rooms one (1) through seven (7).

3. Supplies/Services:

The items shall be completely new, and shall not be used, refurbished, or in any other form, including substitutions. Contractor shall not add or substitute any component(s) without prior approval from the contracting officer. The contractor shall be fully licensed to perform the work. A formal on-site survey may be conducted, if needed, to finalize system requirements prior to beginning any installation activities.

4. Specific mandatory deliverables, tasks, salient characteristics:

4.1 Video Display Monitors:

- 4.1.1 Monitors must have a high definition (HD) display,
- 4.1.2 Must be digital,
- 4.1.3 Monitors must have a resolution of at least 1920x1080,
- 4.1.4 Must weigh less than nineteen 19 pounds (lbs.),
- 4.1.5 Must offer at least a 25 inch screen,
- 4.1.6 Must be able to display 1080P,
- 4.1.7 Must be compatible with existing operating room video cabling,
- 4.1.8 Must be compatible with existing Stryker SDC digital capture boxes,
- 4.1.9 Must be designed for use in an operating suite environment in a hospital, and
- 4.1.10 Must be able to display up to four (4) modalities on a single monitor.

4.2 Operating Room Integration System Video Routers:

- 4.2.1 Must offer ability to be highly configurable and allow future expansion,
- 4.2.2 Must offer capability for remote monitoring of hardware and software status,
- 4.2.3 Must support the following standards: S-video, composite, RGBHV, 3G-SDI, HD-SDI, DVI;
- 4.2.4 Must support resolution up to 1200P,
- 4.2.5 Must have surgical checklist integration capabilities,
- 4.2.6 Must be able to save customizable presets for room configuration,
- 4.2.7 Must offer teleconferencing capabilities,

SECTION B – SOW

- 4.2.8 Must allow for up to four (4) modalities to be displayed on a single monitor,
- 4.2.9 Must be designed for use in an operating suite environment in a hospital setting,
- 4.2.10 Must be able to tailor the platform for each operating room, and
- 4.2.11 Must be compatible with existing operating room video cabling.

5. User and Service Manuals:

- 5.1 Two (2) complete and unabridged printed copies of operator manuals shall be provided to the VA, and two (2) complete and unabridged printed copies of service manuals shall be provided to the VA at the time of installation of the equipment.
- 5.2 One (1) electronic version (CD) of the unabridged operator manual and service manual shall be provided to the VA at the time of installation of the equipment.
- 5.3 Upgrades to the manuals shall be provided to the VA by the contractor free of charge.

6. Delivery:

- 6.1 The equipment, related parts, and other deliverables shall be delivered to the VA warehouse.
- 6.2 The VA will transport the equipment, related parts, and other deliverables from the warehouse to the operating rooms for installation.

7. Packaging:

- 7.1 All items shall be marked clearly with the order number, obligation number, and delivery location within the hospital (e.g. radiology room).
- 7.2 All items shall be adequately packaged to prevent damage during shipping, handling, and storage. Bags or boxes or containers shall be whole, intact, and not otherwise torn or damaged.
- 7.3 Upon delivery, the Government shall examine all packages. The contractor shall be required to replace damaged products at the contractor's expense.

8. Hours of Work:

- 8.1 Installation will be conducted Monday through Friday, and possibly on weekends, after normal working hours to minimize disruption of patients' surgeries.
- 8.2 Hours of work will be coordinated based on the operating room's schedule and the availability of the biomedical department's support staff.

9. Administrative Data:

Contractor Point of Contact: The contractor shall designate one (1) employee as the point of contact (POC) responsible for administrative matters in the performance of services under this contract. The POC shall have full authority to act for the contractor on all matters relating to the daily performance of this contract. An alternate may be designated, but the contractor shall notify the contracting officer and
