1 *Reference Section J – List of Attachments:*

- *Item 2 “Architect-Engineer Specifications Pages 745”.*
 - o *The specs issued with this solicitation are only 338 pages. Even when combined with the Reference standards, they are only 347 pages. Please confirm we have all of the specifications.*
- *Drawings are listed as 50 pages. The original drawing set issued with the solicitation has 21 pages. The revised drawing set issued in Amendment 4 has 24 pages. Please confirm we have all of the drawings.*
- *We do not find any of the attachments listed under “Local Requirement Attachments”. Please provide or advise.*

Response

- **Specifications PDF Document is (330) total pages including blank pages**
- **Drawings are a total of (24) Sheets**

Local Requirements include obtaining at the contractor's own expense a permit from the City of Palo A lot for the curb cut / drive access from Miranda Ave as shown on sheet GI101 Key Note #5, and obtaining a separate insurance policy to the San Francisco Public Utility Commision as noted in specification 01 00 00 section 1.2, C.

2 *Amendment 4 Revised Drawing Set Table of Contents includes drawing CU105 Site Electrical Plan. This is not included in the drawing set. Please provide or advise*

Response

- **Sheet CU105 has been deleted and replaced by Sheet ES102
see revised Sheet GI001**

3 *Amendment 4 SF30 states that the purpose of the amendment is to replace all drawings in the bid set with addendum 1 drawings. Please confirm that this should read “Amendment 4” drawings.*

Response

- **Addendum #1 drawings are provided in Solicitation Ammendent #4, Replace ALL bid set drawings with the Addendum #1 set issued in Ammendment #4.**
