

### **Warehouse Renovations Project Amendment Items:**

1. Drawing 1-A1 Architectural Demotion Plan and Notes, Demolition Notes, add Note 7. After completion of the new temporary storage building remove the entire contents of VA stored supplies, materials and equipment from existing warehouse and relocate to new temporary storage building. All contents shall be removed and relocated to the new temporary storage building prior to the start of demolition in the existing warehouse. A site visit to view the entire contents of the existing warehouse is scheduled for Friday, August 4<sup>th</sup>, at 9:00AM. Interested parties should report to Building 1, 6<sup>th</sup> floor, Room C6-70 at 9:00AM for the site visit.
2. Specifications Section 00 10 10, Table of Contents, Division 01 General Requirements: Add specification section 01 45 29 Testing Laboratory Services to table of contents.
3. Revise Section 01 45 29 Testing Laboratory Services, Paragraph 1.1 Description to read: This section specifies materials testing activities and inspection services required during project construction to be provided by a Testing Laboratory retained by the Contractor.
