

The Philadelphia VA Medical Center, Philadelphia, PA 19104 has a requirement for Infusion Pumps, specific information listed below in the Statement Of Need (SON).

1. Introduction. The Corporal Michael J. Crescenz VA Medical Center (CMC VAMC) at 3900 Woodland Avenue, Philadelphia, Pennsylvania has been using CareFusion Alaris PC units and pump modules since 2009. They have proven to be reliable and accurate. The purpose of this statement of work is to solicit for an exact match of the items listed in paragraph 2 below. The intent of this procurement is to refresh our existing systems with the latest model units. CMC VAMC
2. Summary of Work Statement. The designated vendor shall provide:

Quantity	Model #	Description
150	8015	Next Generation Alaris PC Units
300	8100	Alaris Pump Module
20	802.11 A/B/G/N	Wireless Kit
1	Service	Check in services

3. Qualifications. CareFusion provides state-of-the-art infusion pumps with a PC unit that monitors input of medication and fluids. These are used worldwide in medical centers and long term care facilities. These units must be adaptable to attach, connect, and release fluids and medication directed by provider orders. Any vendor who has such a system shall present a proposal to replace the all of the existing equipment including but not limited to the items in paragraph 2 above. The CMC VAMC also uses these systems to attach additional modules such as Patient Controlled Analgesia (PCA) modules and ETCO2 modules. CMC VAMC shall retain 20 Next Generation Alaris PC units, 15 PCS modules, and 5 ETCO2 modules reducing the cost of this procurement. Any other manufacturer will need to include these items in their proposal.
4. Training and Orientation. None required provided the CareFusion Alaris systems are procured under sole source. Nursing Staff are competent in the use of these products. Any other manufacturer's products will require extensive training, and development of nursing competencies.
5. Access to the Philadelphia VA Medical Center. Delivery will be made through the Warehouse, CMC VAMC
