Please provide FOB destination price to SFVA Medical Center. If the above items is under GSA, FSS, NAC, BPA or any government contract, please provide the contract number, terms and conditions; SIN the products fall under (if any), delivery schedule and contract expiration date.

Note: Offers of "equal" products - Offeror must clearly indicate in its offer that the product being offered is an "equal" product. The "equal" product must have the same physical, functional, or performance characteristics as the items referenced above. New Equipment ONLY; NO remanufactured or "gray market" items. All items must be covered by the manufacturer's warranty. Please provide technical specification if offering an equal product.

Authorized dealers: Only firms who are authorized dealers will be considered in addition to the original equipment manufacturer. A letter from the manufacturer stating your company is an authorized dealer for the line items must be in possession by the due date and be available for submission, if requested.

The evaluation of offers received in response to the solicitation will use a tiered or cascading order of precedence. "Tiered evaluation of offers," also known as "cascading evaluation of offers," is a procedure used in negotiated acquisitions when market research is inconclusive for justifying limiting competition to small business concerns or sub-categories of small business concerns. The contracting officer—

(1) Solicits offers from both small and other than small business concerns that will be evaluated in the following tier order:

- (a) service-disabled veteran-owned small business (SDVOSB);
- (b) veteran-owned small business (VOSB);
- (c) all other small business concerns;
- (d) other than small business.

(2) If an award or a sufficient number of awards cannot be made at the first tier, evaluation of offers will proceed at the next lower tier until an award or a sufficient number of awards can be made.

In order for a company to be considered a SDVOB or VOSB the company must be listed in <https://www.vip.vetbiz.gov/>. Unverified SDVOBs or VOSBs are considered non-responsive and price quotations will not be evaluated. The award will be set aside for veteran-owned small businesses if the contracting officer received two or more offers/quotes from verified SDVOSBs or VOSBs at fair and reasonable prices that offer best value to the Government. Offerors shall be registered in the System for Award Management (SAM) prior to award. Registration information is located at [www.sam.gov](http://www.sam.gov). Award will be made to the responsive/responsible offeror who provides the technically acceptable product at the lowest price.
