

**The Presidio's Landscape Plant Selection lists
and Record of Changes**

Last updated: 8/24/2011

Date	Species	Action	Note
8/24/2011	Geijera parviflora	Moved from list 1 to list 3	Not suitable for Presidio, too cold here
8/8/2011	Eucalyptus pauciflora ssp. niphophila	Added to list 1	
7/14/2011	Phyllostachys nigra	Moved from list 1 to list 2	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk)
7/14/2011	Juniperus chinensis	no action	re-reviewed and left on list 1
7/14/2011	Echeveria x 'imbricata'	no action	re-reviewed and left on list 1
7/14/2011	Crataegus phaenopyrum	no action	re-reviewed and left on list 1
7/14/2011	Ceratostigma plumbaginoides	Moved from list 1 to list 2	Do not plant within 300 feet of the NPCZ
7/14/2011	Eucalyptus rudis	Added to list 3	
7/14/2011	Eucalyptus camaldulensis	Added to list 3	
7/14/2011	Xylosma congestum	Moved from list 3 to list 2	Only male plants allowed
7/14/2011	Grevillea robusta	Moved from list 3 to list 2	Do not plant within 300 feet of the NPCZ
7/14/2011	Eriobotrya japonica	Moved from list 3 to list 2	Do not plant within 300 feet of the NPCZ
7/14/2011	Mesembryanthemum crystallinum	Moved from list 1 to list 3	Invasive species accidentally included in list 1
6/16/2011	Callistemon citrinus	Moved from list 2 to list 1	Accidentally on both list 1 and list 2
6/16/2011	Thymus serpyllum	Moved from list 1 to list 2	Thymus praecox (a synonym) is already on list 2
6/13/2011	Citrus x meyeri	Added to list 1	
6/6/2011	Fouquieria splendens	Added to list 1	
6/6/2011	Ficus pumila	Added to list 2	Do not plant within 300 feet of the NPCZ
6/6/2011	Citrus japonica 'Meiwa'	Added to list 1	
4/22/2011	Helleborus argutifolius	Condition changed	Left on list 2 but condition eased to: Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
4/22/2011	Helleborus foetidus	no action	re-reviewed and left on list 2
4/22/2011	Olea europaea 'wilsonii'	no action	re-reviewed and left on list 2
4/22/2011	Viburnum plicatum tomentosum 'Mariesii'	no action	re-reviewed and left on list 2

4/6/2011	<i>Rosa</i> 'French lace	Added to list 1	<i>Rosa multiflora</i> and <i>Rosa canina</i> root stock should be avoided
4/6/2011	<i>Rosa</i> 'Margaret Merrill'	Added to list 1	<i>Rosa multiflora</i> and <i>Rosa canina</i> root stock should be avoided
3/30/2011	<i>Lonicera japonica</i>	Moved from list 1 to list 3	Invasive species accidentally included in list 1
3/30/2011	<i>Salix babylonica</i>	Moved from list 1 to list 3	Hybridization risk accidentally included in list 1
3/30/2011	<i>Spartum junceum</i>	Moved from list 1 to list 3	Invasive species accidentally included in list 1
3/30/2011	<i>Schinus terebinthifolius</i>	Moved from list 1 to list 3	Invasive species accidentally included in list 1
2/18/2011	<i>Cercidiphyllum japonicum</i>	Added to list 1	
1/27/2011	<i>Cyathea cooperi</i>	Added to list 3	
1/9/2011	<i>Lavandula stoechas</i>	Moved from list 1 to list 2	Do not plant within 300 feet of the NPCZ
12/13/2010	<i>Tristania laurina</i>	Moved from list 3 to list 2	Do not plant within 300 feet of the NPCZ
12/13/2010	<i>Lophostemon conferta</i>	Moved from list 3 to list 2	Was listed as <i>Tristania conferta</i> ; Do not plant within 300 feet of the NPCZ
12/13/2010	<i>Sequoia sempervirens</i>	Moved from list 3 to list 2	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
12/9/2010	<i>Teucrium x lucidrys</i>	Added to list 2	Do not plant within 300 feet of the NPCZ
11/1/2010	<i>Hydrangea anomala petiolaris</i>	Added to list 1	
10/1/2010	<i>Taxus x media</i> 'Hicksii'	Added to list 2	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk)
10/1/2010	<i>Taxus cuspidata</i>	Added to list 2	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk)
9/1/2010	<i>Pinus contorta</i>	Added to list 3	
5/10/2010		Version 2 completed	
1/1/1999		Version 1 completed	

List 1: Approved	Common name	Note
Abelia grandiflora	Abelia	
Acer circinatum	Vine Maple	
Acer japonicum	Fullmoon Maple	
Acer rubrum 'Bowhall'	"Bowhall" Red Maple	
Adenanthos X cunninghamii	Albany Woolybush	
Aesculus carnea	Red Horsechestnut	
Aloe striata	Coral Aloe	
Araucaria araucana	Monkey Puzzle Tree	
Araucaria heterophylla	Norfolk Island Pine	
Asarum caudatum	Wild Ginger	
Aucuba japonica	Japanese Aucuba	
Azalea 'Alaska'	Azalea 'Alaska'	
Bergenia crassifolia	Winter-Blooming Bergenia	
Blechnum gibbum (syn Lomaria gibbum)	Blechnum	
Bougainvillea spectabilis	Bougainvillea	
Butia capitata	Pindo Palm	
Buxus microphylla	Boxwood	
Buxus sempervirens	English Boxwood	
Callistemon citrinus	Lemon Bottlebrush	
Callistemon salignus	White Bottlebrush	
Calocedrus decurrens	Incense Cedar	
Calycanthus occidentalis	Spice bush	
Campanula poscharskyana	Serbian Bellflower	
Canna 'Minerva'	Canna	
Canna 'Pretoria'	Canna	
Canna 'Tropicana'	Canna	
Carpenteria californica	Bush Anemone	
Carpenteria californica 'Elizabeth'	Bush Anemone	
Cercidiphyllum japonicum	Katsura Tree	
Cercis canadensis	Eastern Redbud	
Cercis canadensis 'Forest Pansy'	Eastern Redbud	
Cercis canadensis 'Alba'	Eastern Redbud	

List 1: Approved	Common name	Note
Cercis occidentalis	Western Redbud	
Chaenomeles japonica 'Jet Trails'	Flowering Quince	
Chaenomeles x superba	Flowering Quince	
Chamaecyparis lawsoniana	Port Orford Cedar	
Chamaerops humilis	Mediterranean Fan Palm	
Choisya ternata	Mexican Orange	
Cistus purpureus	Orchid Rockrose	
Citrus japonica 'Meiwa'	Meiwa kumquat	
Citrus x meyeri	Meyer lemon	
Clivia miniata	Clivia	
Correa 'Dawn in Santa Cruz'	Australian Fuchsia 'Dawn in Santa Cruz'	
Correa 'Ivory Bells'	Australian Fuchsia 'Ivory Bells'	
Correa pulchella	Australian Fuchsia	
Correa 'Ray's Tangerine'	Australian Fuchsia 'Ray's Tangerine'	
Correa schlechtendalii	Australian Fuchsia	
Cotinus coggygia 'Royal Purple'	Smoke Tree	
Crassula argentea	Jade Plant	
Crataegus phaenopyrum	Washington Thorn	
Cryptomeria japonica	Japanese Cryptomeria	
Cycas revoluta	Sago Palm	
Daphne odora 'Auromarginata'	Winter Daphne	
Dicksonia antarctica	Tazmanian Tree Fern	
Echeveria x 'imbricata'	Hen and Chicks	
Eucalyptus pauciflora ssp. niphophila	Snow Gum	
Eucalyptus polyanthemos	Silver Dollar Gum	
Eucalyptus sideroxylon "Rosea"	Pink Iron Bark	
Fatsia japonica	Japanese Aralia	
Feijoa sellowiana	Pineapple Guava	
Ficus elastica	Rubber Tree	
Forsythia intermedia	Forsythia	
Fouquieria splendens	ocotillo	
Fremontodendron californicum	Flannel Bush	

List 1: Approved	Common name	Note
Fuchsia arborescens	Fuchsia	
Fuchsia thymifolia	Fuchsia	
Hardenbergia violacea	Lilac Vine	
Hebe buxifolia 'Patty's Purple'	Boxleaf Hebe	
Hebe 'Wiri Blush'	Hebe	
Hesperaloe parviflora	Red Yucca	
Heuchera 'Canyon Pink'	Alum Root 'Canyon Pink'	
Howea forsteriana	Paradise Palm	
Hydrangea anomala petiolaris	Climbing Hydrangea	
Hydrangea macrophylla	Big Leaf Hydrangea	
Hydrangea quercifolia 'Alice'	Oak Leaf Hydrangea	
Hymenosporum flavum	Sweetshade	
Juniperus chinensis	Chinese Juniper	
Juniperus sabina	Juniper	
Kniphofia (Tritonia) uvaria	Red Hot Poker	
Lantana montevidensis	Lantana	
Laurus nobilis	Grecian Laurel	
Liquidambar orientalis	Oriental Sweet Gum	
Liriodendron tulipifera	Tulip Tree	
Liriope muscari 'Variegata'	Big Blue Lily Turf	
Loropetalum chinense (and cultivars)	Loropetalum	
Lycianthes rantonnetii -- syn. Solanum rantonnetii	Blue Potato Bush	
Lyonothamnus floribundus	Catalina Ironwood	
Magnolia denudata	Yulan Magnolia	
Magnolia grandiflora' (and cultivars)	Southern Magnolia	
Magnolia soulangeana	Saucer Magnolia	
Magnolia stellata	Star Magnolia	
Magnolia stellata 'Royal Star'	Star Magnolia	
Magnolia x Daybreak	Magnolia 'Daybreak'	
Mahonia pinnata	California Holly Grape	

List 1: Approved	Common name	Note
Mahonia repens	Creeping Mahonia	
Malus x 'Prairifire'	Flowering Crabapple	
Melaleuca linarifolia	Flaxleaf Paperbark	
Metasequoia glyptostroboides	Dawn Redwood	
Michelia doltsopa 'Silver Cloud'	Michelia	
Ophiopogon planiscapus	Black Mondo Grass	
Osmanthus delavayi	Delavay Osmanthus	
Penstemon centranthifolius	Scarlet Bugler	
Penstemon x 'Midnight'	Scarlet Bugler	
Perovskia atriplicifolia	Russian Sage	
Philadelphus x virginalis 'Dwarf Snowflake'	Mock Orange	
Phormium cookianum 'Cream Delight'	Mountain Flax	
Pinus canariensis	Canary Island Pine	
Pinus thunbergii	Japanese Black Pine	
Podocarpus gracilior	Fern Pine	
Podocarpus macrophyllus	Yew Pine	
Prunus armeniaca	Cherry	
Prunus caroliniana	Carolina Laurel Cherry	
Prunus lyonii	Cherry	
Quercus virginiana	Southern Live Oak	
Rhaphiolepis indica	Indian Hawthorn	
Rhaphiolepis 'Majestic Beauty'	Indian Hawthorn	
Rosa 'French lace	Rose	Rosa multiflora and Rosa canina root stock should be avoided
Rosa 'Margaret Merrill'	Rose	Rosa multiflora and Rosa canina root stock should be avoided
Rosa x 'Noaschnee'	Flower Carpet Rose	Rosa multiflora and Rosa canina root stock should be avoided
Rumohra adiantiformis	Leather Fern	
Salvia chamaedryoides	Germander Sage	
Sambucus glauca	Blue Elderberry	

List 1: Approved	Common name	Note
Santolina rosmarinifolia	Santolina	
Senecio hybridus (cruentus)	Florist's Cineraria	
Strelitzia reginae	Bird of Paradise	
Syzygium paniculatum	Brush Cherry	
Taxus baccata 'Stricta'	English Yew	
Thuja occidentalis	American Arborvitae	
Thuja occidentalis 'Emerald'	American Arborvitae 'Emerald'	
Thymus herba-barona	Caraway-Scented Thyme	
Tibouchina urvilleana	Princess Flower	
Tilia cordata	Little-Leaf Linden	
Trachelospermum asiaticum	Star Jasmine	
Trichostema lanatum	Wooly Blue Curls	
Washingtonia filifera	California Fan Palm	
Washingtonia robusta	Mexican Fan Palm	
Westringia fruticosa	Coast Rosemary	

List 2: Conditional Use	Condition
<i>Acacia cognata</i> - syn <i>Acacia subporosa</i>	Do not plant within 300 feet of the NPCZ
<i>Acer ginnala</i> -- syn. <i>Acer tataricum ginnala</i>	Do not plant within 300 feet of the NPCZ
<i>Acer macrophyllum</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Acer negundo</i> var. <i>californicum</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Acer palmatum</i>	Do not plant within 300 feet of the NPCZ
<i>Aeonium canariense</i>	Do not plant within 300 feet of the NPCZ
<i>Aeonium hawthorii</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Aeonium porine</i>	Do not plant within 300 feet of the NPCZ
<i>Aeonium pseudo-tabulaeformis</i>	Do not plant within 300 feet of the NPCZ
<i>Agapanthus africanus</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Agapanthus orientalis</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Agastache aurantiaca</i>	Do not plant within 300 feet of the NPCZ
<i>Agave americana</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Agave attenuata</i>	Do not plant within 300 feet of the NPCZ
<i>Ajuga reptans</i> 'Jungle Beauty'	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Alchemilla mollis</i>	Do not plant within 300 feet of the NPCZ
<i>Aloe arborescens</i>	Do not plant within 300 feet of the NPCZ
<i>Aloe plicatilis</i>	Do not plant within 300 feet of the NPCZ
<i>Aloe saponaria</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Alyogene huegelii</i> 'Santa Cruz'	Do not plant within 300 feet of the NPCZ
<i>Amaryllis belladonna</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Anigozanthus</i> 'Bush Ranger'	Do not plant within 300 feet of the NPCZ
<i>Anigozanthus flavidus</i>	Do not plant within 300 feet of the NPCZ
<i>Anigozanthus hybrids</i>	Do not plant within 300 feet of the NPCZ
<i>Arbutus unedo</i> 'Compacta'	Do not plant within 300 feet of the NPCZ

List 2: Conditional Use	Condition
<i>Arbutus unedo</i> 'marina'	Do not plant within 300 feet of the NPCZ
<i>Arecastrum romanzoffianum</i> -- syn. <i>Syagrus romanzoffianum</i>	Do not plant within 300 feet of the NPCZ
<i>Aristolochia californica</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Ballota pseudodictamnus</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Bambusa oldhamii</i>	Do not plant within 300 feet of the NPCZ
<i>Brugmansia candida</i> (syn. <i>Datura candida</i>)	Do not plant within 300 feet of the NPCZ
<i>Brugmansia sanguinea</i>	Do not plant within 300 feet of the NPCZ
<i>Calothamnus villosus</i>	Do not plant within 300 feet of the NPCZ
<i>Campanula portenschlagiana</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Carex pansa</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Ceanothus gloriosus</i> 'Emily Brown' or 'Anchor Bay'	Do not plant within 300 feet of the NPCZ
<i>Cedrus deodora</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Ceratostigma plumbaginoides</i>	Do not plant within 300 feet of the NPCZ
<i>Cercis mexicana</i> -- syn. <i>Cercis canadensis mexicana</i>	Do not plant within 300 feet of the NPCZ
<i>Chondropetalum tectorum</i> (Restionaceae)	Do not plant within 300 feet of the NPCZ
<i>Cistus</i> 'Bennet's White'	Do not plant within 300 feet of the NPCZ
<i>Cistus ladanifer</i>	Do not plant within 300 feet of the NPCZ
<i>Cistus salvifolius</i>	Do not plant within 300 feet of the NPCZ
<i>Cistus skanbergii</i>	Do not plant within 300 feet of the NPCZ
<i>Cistus</i> x <i>hybridus</i>	Do not plant within 300 feet of the NPCZ
<i>Clematis armandii</i>	Do not plant within 300 feet of the NPCZ
<i>Colocasia esculenta</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Cordyline australis</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Cupressus macrocarpa</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Cynoglossum grande</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.

List 2: Conditional Use	Condition
<i>Dichelostemma capitatum</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Dietes vegeta</i>	Do not plant within 300 feet of the NPCZ
<i>Dodonaea viscosa</i>	Do not plant within 300 feet of the NPCZ
<i>Dymondia margaretae</i>	Do not plant within 300 feet of the NPCZ
<i>Echium wildpretii</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Elaeagnus pungens</i> 'Fruitlandii'	Do not plant within 300 feet of the NPCZ
<i>Equisetum scirpoides</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Eriobotrya japonica</i>	Do not plant within 300 feet of the NPCZ
<i>Escallonia bifida</i>	Do not plant within 300 feet of the NPCZ
<i>Eucalyptus ficifolia</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Euonymus fortunei</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Euonymus japonicus</i>	Do not plant within 300 feet of the NPCZ
<i>Euryops pectinatus</i>	Do not plant within 300 feet of the NPCZ
<i>Festuca arundinacea</i> "Warrens Front Runner Blend"	Only to be used in turf and must be mown to prohibit seed set
<i>Festuca cinerea</i>	Do not plant within 300 feet of the NPCZ
<i>Festuca ovina</i> 'Glaucua'	Only to be used in turf and must be mown to prohibit seed set
<i>Ficus pumila</i>	Do not plant within 300 feet of the NPCZ
<i>Galium odoratum</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Geranium x cantabrigiense</i> 'Biocovo'	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Grevillea lanigera</i> (& cultivars)	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Grevillea lavandulacea</i> (& cultivars)	Do not plant within 300 feet of the NPCZ
<i>Grevillea robusta</i>	Do not plant within 300 feet of the NPCZ
<i>Grevillea rosmarinifolia</i> (& cultivars)	Do not plant within 300 feet of the NPCZ
<i>Griselinia littoralis</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Hedychium coronarium</i>	Do not plant within 300 feet of the NPCZ
<i>Helictotrichon sempervirens</i>	Do not plant within 300 feet of the NPCZ
<i>Helleborus argutifolius</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).

List 2: Conditional Use	Condition
<i>Helleborus foetidus</i>	Do not plant within 300 feet of the NPCZ
<i>Hemerocallis</i> X 'Stella de Oro'	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Heuchera maxima</i>	Do not plant within 300 feet of the NPCZ
<i>Heuchera sanguinea</i>	Do not plant within 300 feet of the NPCZ
<i>Holodiscus discolor</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Ilex cornuta</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Impatiens oliveri</i> -- syn. <i>Impatiens sodenii</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Iochroma cyaneum</i> 'Sky King'	Do not plant within 300 feet of the NPCZ
<i>Kalmia</i> spp.	Do not plant within 300 feet of the NPCZ
<i>Lagerstroemia indica</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Lampranthus spectabilis</i>	Do not plant within 300 feet of the NPCZ
<i>Lantana camara</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Lantana sellowiana</i> 'Monma'	Do not plant within 300 feet of the NPCZ
<i>Lathyrus latifolius</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Lavandula stoechas</i>	Do not plant within 300 feet of the NPCZ
<i>Lavandula</i> x <i>heterophylla</i>	Do not plant within 300 feet of the NPCZ
<i>Lepidium strictum</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Leptospermum laevigatum</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Leptospermum scoparium</i>	Do not plant within 300 feet of the NPCZ
<i>Leptospermum scoparium</i> 'Helene Strybing'	Do not plant within 300 feet of the NPCZ
<i>Leucanthemum vulgare</i> (syn. <i>Chrysanthemum leucanthemum</i>)	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Limonium perezii</i>	Do not plant within 300 feet of the NPCZ
<i>Liquidambar styraciflua</i>	Do not plant within 300 feet of the NPCZ
<i>Lophostemon conferta</i>	Do not plant within 300 feet of the NPCZ

List 2: Conditional Use	Condition
<i>Lotus maculatus</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Mahonia aquifolium</i> 'compacta'	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Maytenus boaria</i>	Do not plant within 300 feet of the NPCZ
<i>Melaleuca nesophila</i>	Do not plant within 300 feet of the NPCZ
<i>Melaleuca quinquenervia</i>	Do not plant within 300 feet of the NPCZ
<i>Myrsine africana</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Myrtus communis</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Nephrolepis cordifolia</i>	Do not plant within 300 feet of the NPCZ
<i>Nymphaea marliaceae</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ.
<i>Olea europaea</i> 'Swan Hill' or 'wilsonii'	Do not plant within 300 feet of the NPCZ. Only use sterile varieties 'swan hill' or 'wilsonii'
<i>Osmanthus fragrans</i>	Do not plant within 300 feet of the NPCZ
<i>Oxalis</i> spp.	Do not plant within 300 feet of the NPCZ. <i>O. pes-caprae</i> and <i>O. corniculata</i> prohibited
<i>Parthenocissus henryana</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pelargonium cordifolium</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pelargonium tomentosum</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Penstemon heterophyllus</i>	Do not plant within 300 feet of the NPCZ
<i>Penstemon</i> x 'Apple Blossom'	Do not plant within 300 feet of the NPCZ
<i>Phlomis fruticosa</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Phoenix canariensis</i>	Do not plant within 300 feet of the NPCZ
<i>Phyllostachys nigra</i>	
<i>Pieris japonica</i> (& cultivars)	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pinus eldarica</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ

List 2: Conditional Use	Condition
<i>Pinus pinea</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pinus radiata</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pinus torreyana</i>	Do not plant within 300 feet of the NPCZ
<i>Pistacia chinensis</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pittosporum crassifolium</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Pittosporum crassifolium</i> 'Compactum'	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pittosporum tenuifolium</i> (& cultivars)	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Pittosporum undulatum</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Platanus racemosa</i>	Do not plant within 300 feet of the NPCZ
<i>Plumbago auriculata</i>	Do not plant within 300 feet of the NPCZ
<i>Poa pratensis</i>	Only to be used in turf and must be mown to prohibit seed set
<i>Podocarpus macrophyllus</i> maki	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Prunus ilicifolia</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Prunus laurocerasus</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Prunus</i> x <i>Yedoensis</i> 'Akebono'	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Punica granatum</i>	Do not plant within 300 feet of the NPCZ
<i>Pyrus calleryana</i>	Do not plant within 300 feet of the NPCZ
<i>Rhaphiolepis umbellata</i> 'Minor'	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Rhododendron</i> spp.	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ

List 2: Conditional Use	Condition
<i>Rosa banksiae</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Rosa rugosa</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Rosa</i> x 'Champlain'	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Rosa</i> x 'Noalesa'	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Rosa</i> x 'Noare'	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Rosa</i> x 'Noatraum'	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Rosmarinus officinalis</i> (and cultivars)	Do not plant within 300 feet of the NPCZ
<i>Salvia clevelandii</i> 'Allen Chickering'	Do not plant within 300 feet of the NPCZ
<i>Sarcococca hookerana humilis</i>	Do not plant within 300 feet of the NPCZ
<i>Sedum dendroideum</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Sedum rubrotinctum</i>	Do not plant within 300 feet of the NPCZ
<i>Sedum</i> x 'Autumn Joy'	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Senecio elegans</i>	Do not plant within 300 feet of the NPCZ
<i>Sequoia sempervirens</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Sollya heterophylla</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Taxus cuspidata</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk)
<i>Taxus</i> x <i>media</i> 'Hicksii'	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk)
<i>Teucrium</i> x <i>lucidrys</i>	Do not plant within 300 feet of the NPCZ
<i>Thymus praecox</i> -- syn. <i>Thymus serpyllum</i>	Do not plant within 300 feet of the NPCZ
<i>Trachelospermum jasminoides</i>	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Trachycarpus fortunei</i>	Do not plant within 300 feet of the NPCZ
<i>Tradescantia pallida</i> 'Purpurea'	Surround by at least 15 feet of lawn or a hard barrier (e.g. sidewalk).
<i>Trillium chloropetalum</i>	Do not plant within 300 feet of the NPCZ

List 2: Conditional Use	Condition

<i>Tropaeolum majus</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Ugni molinae</i>	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Ulmus parvifolia</i>	Do not plant within 300 feet of the NPCZ
<i>Vaccinium ovatum</i>	Grown at Presidio Native Plant Nursery. Requests due July 1st 18 months before planting.
<i>Viburnum davidii</i>	Do not plant within 300 feet of the NPCZ
<i>Viburnum plicatum tomentosum</i> 'Mariesii'	Do not plant within 300 feet of the NPCZ
<i>Vinca minor</i>	Limited to historic neighborhoods and do not plant within 50 feet of the NPCZ
<i>Vulpia myuros</i> "Zorro"	Limited to historic neighborhoods and do not plant within 100 feet of the NPCZ
<i>Weigela florida</i>	Do not plant within 300 feet of the NPCZ
<i>Westringia rosmariniformis</i> (and cultivars)	Do not plant within 300 feet of the NPCZ
<i>Xylosma congestum</i>	Only male plants allowed
<i>Yucca filamentosa</i>	Do not plant within 300 feet of the NPCZ

List 3: Prohibited

Acacia longifolia
Acacia melanoxylon
Acacia retinoides (floribunda)
Acacia verticillata
Acanthus mollis
Acer pseudoplatnoides=pseudoplatanus
Agonis flexuosa
Ailanthus altissima
Albizia distachya lophantha
Allium triquetum
Alnus cordata
Ammophila arenaria
Arctostaphylos spp.
Arctotheca calendula
Avena barbata
Avena fatua
Berberis darwinii
Berberis thunbergii
Betula pendula
Bromus diandrus
Buddleia davidii
Camellia japonica (and cultivars)
Camellia sasanqua (and cultivars)
Carpobrotus chilensis
Carpobrotus edulis
Ceanothus 'Dark Star'
Ceanothus griseus 'Horizontalis'
Centranthus ruber
Cestrum nocturnum
Chamaemelum nobile
Chasmanthe aethiopica
Chasmanthe floribunda
Coleonema alba
Conicosia pugionifomis
Convolvulus arvensis
Coprosma kirkii
Coprosma repens
Cornus capitata
Cortaderia jubata
Cortaderia selloana
Cotoneaster dammeri
Cotoneaster lacteus
Cotyledon orbiculata

List 3: Prohibited

<i>Crocosmia crocosmiiflora</i>
<i>Crocosmia masoniorum</i>
<i>Cyathea cooperi</i>
<i>Cynodon dactylon</i>
<i>Cyperus isocladius</i> (syn. <i>C. prolifer</i>)
<i>Cyrtomium fortunei</i>
<i>Cytisus</i> spp.
<i>Dactylis glomerata</i>
<i>Delaria odorata</i>
<i>Dichondra micrantha</i>
<i>Echium candicans</i> (syn. <i>E. fastuosum</i>)
<i>Erigeron karvinskianus</i>
<i>Eucalyptus camaldulensis</i>
<i>Eucalyptus rudis</i>
<i>Eucalyptus globulus</i>
<i>Eupatorium adenophorum</i> (Now: <i>Ageratina adenophora</i>)
<i>Euphorbia rigida</i>
<i>Festuca rubra</i> "Molate"
<i>Ficus microcarpa</i>
<i>Fraxinus angustifolia</i> 'Raywood'
<i>Fuchsia magellanica</i>
<i>Fuchsia paniculata</i>
<i>Geijera parviflora</i>
<i>Genista</i> spp.
<i>Grevillea</i> 'Canberra'
<i>Gunnera tinctoria</i>
<i>Hakea suaveolens</i>
<i>Hedera canariensis</i>
<i>Hedera helix</i>
<i>Helianthemum nummularium</i>
<i>Helichrysum petiolare</i> 'Limelight'
<i>Hypericum canariense</i>
<i>Ilex aquifolium</i>
<i>Iris foetidissima</i>
<i>Iris pseudoacorus</i>
<i>Iris virginica</i>
<i>Jasminum polyanthum</i>
<i>Lasthenia glabrata</i>
<i>Leonotis leonorus</i>
<i>Leptospermum scoparium</i> 'Nanum Ruru'
<i>Libertia peregrinans</i>
<i>Ligustrum lucidum</i>
<i>Ligustrum ovalifolium</i>

List 3: Prohibited

Lilium pardalinum
Lobelia laxiflora
Lobularia maritima
Lolium multiflorum
Lonicera japonica
Loropetalum chinense 'Snowdance'
Melaleuca styphelioides
Mentha pulegium
Mentha spicata
Mesembryanthemum crystallinum
Michelia x Foggii 'Allspice'
Muehlenbecki complexa
Myoporum laetum
Myoporum pacificum
Myoporum parvifolium
Myoporum parvifolium 'Prostratum'
Myoporum parvifolium 'Putah Creek'
Myosotis latifolia
Nandina domestica (and cultivars)
Nassella tenuissima
Nepeta faassenii
Nerium oleander
Osmanthus heterophyllus (and cultivars)
Osteospermum fruticosum
Oxalis pes-caprae
Pellaea andromedifolia
Pennisetum clandestinum setaceum
Pennisetum setaceum
Phormium tenax
Picea glauca "Conica"
Pinus contorta
Pittosporum eugenioides
Pittosporum tobira
Plumbago auriculata 'Monite'
Poa annua
Prunus lusitanica
Pseudotsuga menziesii
Punica granatum 'Tanyosho'
Pyracantha spp.
Quercus suber
Rubus pentalobus
Salix babylonica
Sarcococca ruscifolia

List 3: Prohibited

Scabiosa caucasica

Schinus molle

Schinus terebinthifolius

Sedum spathulifolium 'atropurpureum'

Senecio mandraliscae

Solanum jasminoides

Spartium junceum

Spiraea japonica

Tulbaghia violacea

Ulex europaea

Viburnum opulus 'Sterile'

Viburnum tinus 'Compactum'

Viburnum x bodnantense 'Pink Dawn'

Vinca major

Zantedeschia aethiopica
