Designator Notes/Justification/Comments

This task involves building procurement packages for furniture, fixtures, and equipment to outfit a new space. The contractor will have access to acquisition information prior to the solicitations being issued. The solicitations will be issued by a contracting office. The Contractor will not have access to other contractors' pricing.

Designator Notes/Justification/Comments

BMETS may be required to connect medical equipment to the VA network in the new facility. It is possible the BMETS could have access to PII during this time. However, the Deputy Under Secretary for Health and Operations and Management (10N) Memorandum, Contractors Excepted from Background Investigation and Screenings, dated February 8, 2007, specifies that medical equipment installers are exempt from the requirement to have a background investigation.
