Vocational Rehabilitation and Employment Service

Empowering Veterans to Economic Success Through

The Mission of Vocational Rehabilitation & Employment (VR&E) is to provide services and the assistance necessary to enable Veterans with service-connected disabilities and an employment handicap to become employable and obtain and maintain suitable employment or achieve independence in daily living.

These services may include:

- ❖ Reemployment
- ❖ Rapid Access to Employment
- ❖ Self-Employment
- ❖ Employment Through Long Term Services
- ❖ Vocational Exploration and Labor Market Information
- ❖ Job Training and Placement Assistance
 - ✓ On-the-Job Training
 - ✓ Internship/Apprenticeship
 - ✓ Non-Paid Work Experience
 - ✓ Special Employer Incentive
- ❖ Independent Living Services

"To care for him who shall have borne the battle for his widow and his orphan"

-Abraham Lincoln
