14. DESCRIPTION OF AMENDMENT/MODIFICATION (Organized by UCF section headings, including solicitation/contract subject matter where feasible.)										
<p>The purpose of this amendment is to revise the price schedule and to change the contract type. The price schedule has been revised by adding a second Public Health Analyst and changing the unit of measure from hours to months. The workers under this contract will be full time employees, so the vendors will be able to provide a flat monthly rate for each line item in the price schedule.</p> <p>The contract type is changed from an Indefinite Delivery Indefinite Quantity (IDIQ) contract to a stand-alone firm fixed price contract. The nature of the work under this contract is ongoing and the monthly invoices will remain stable for each year of the contract. The IDIQ contract type was initially used because it was believed there the workload would vary too much for a vendor to provide a flat monthly rate. After additional research, we have revised our approach and an IDIQ contract would not be needed for this contract.</p> <p>FAR clauses 52.516-18, 52.216-19, and 52.216-22 no longer apply to this solicitation.</p>										
Except as provided herein, all terms and conditions of the document referenced in Item 9A or 10A, as heretofore changed, remains unchanged and in full force and effect.
